#### CIA “Deep State” Mastermind Behind War To Destroy President Trump Revealed

A new **Foreign Intelligence Service** ([SVR](#)) report circulating in the Kremlin today states that one of the top “*masterminds*” engineering the “[Deep State](#)” war to destroy President Donald Trump is a long known **Central Intelligence Agency** ([CIA](#)) undercover assassin named [Charles McCarry](#)—who though currently lauded as being “[the dean of American spy writers](#)”, aided his son, [Nathan McCarry](#), in establishing a private US intelligence company known as [Pluribus International Corporation](#)—one of whose analyst/interpreters, named [Reality Leigh Winner](#), was arrested for espionage by the **Federal Bureau of Investigation** ([FBI](#)) this past week after her returning from **Qatar**. [Note: Some words and/or phrases appearing in quotes in this report are English language approximations of Russian words/phrases having no exact counterpart.]

“*Deep State*” mastermind Charles McCarry (aka “Black Hammer”)

According to this report, Charles McCarry’s **Committee for State Security** ([KGB](#)) codename was “Black Hammer” due to

his using a hammer during his “*kill operations*” against Soviet agents operating within Eastern Europe during the early years of the Cold War—and that McCarry became a CIA assassin in after his quitting being a speech writer for President Dwight Eisenhower in the early 1950’s.

Though claiming to leave the CIA in 1967, this report continues, Charles McCarry, instead, became an integral part of the “Deep State” war against President Richard Nixon to unseat him from power—and who, since 1971 with his first novel “The Miernik Dossier”, has detailed his “*Deep State*” career and actions through his fictional character named “Paul Christopher”.

While purporting himself as being a writer of fiction, this report notes, Charles McCarry has spent the greater part of the past 40 years operating within the “*Deep State*”—and whose greatest accomplishment to date was using his son Nathan McCarry as the “*figurehead*” to establish a private spying company named Pluribus International Corporation, whose operations span the globe and lie at the very center of the vast US intelligence community.

Pluribus International Corporation, this report explains, provides covert language and intelligence analysis support to not only the US government, but other nations too—and in its latest reporting said it earned over \$140 million, while still calling itself a “small business”.

Most bizarrely to note about Pluribus International Corporation, this report says, is that the vast majority of its nearly 210 employees are young woman with US military backgrounds—a philosophy explained by Nathan McCarry’s wife, Valerie McCarry, during a 2014 radio interview wherein she described her travails of being a young 20-year-old unwed mother raised in a US military family.

One such young female US military veteran hired by Pluribus International Corporation, this report continues, was a 25-year-old US Air Force veteran named Reality Leigh Winner—who aside from being a rabid anti-Trump “resistance” activist, spoke four languages—English, Farsi, Pashto and Dari.

*“Deep State” operative Reality Leigh Winner*

Upon Reality Leigh Winner being hired by Pluribus International Corporation on 13 February 2017, this report details, she was instrumental, due to her language skills, in establishing the “*dark web*” communications of a “*Deep State*” group calling itself “*Palpatine’s Revenge*”—that the SVR had previously identified as having offered a \$150 million “kill order contract” on the life of President Trump, with “Palpatine” further being identified by the SVR as being Qatari Emir Sheikh Tamim bin Hamad Al Thani, who had vowed that Trump “wouldn’t be in power for long”.

With the SVR having continuously kept President Trump informed of this vast “*Deep State*” plot against him, this report continues, it was only by Trump’s firing of the “nut job” FBI Director James Comey that enabled the FBI to move against these “*Palpatine*” plotters—and that resulted in Trump-loyal FBI forces obtaining a signed arrest warrant Reality Leigh Winner for espionage on 5 June—followed less than 15 minutes later (at 6 a.m. on 5 June when Winner’s arrest was confirmed) the majority of Arab nations breaking all diplomatic and travel ties to Qatar—and that has now been joined by Jordan and the Philippines too.

Saudi Arabia, the United Arab Emirates, Egypt and Bahrain said they would cut air, sea and land links with Qatar.

As the Charles McCarry-Nathan McCarry-Pluribus International Corporation-Qatar “*Palpatine’s Revenge*” “*Deep State*” network is in the process of being destroyed, this report says, President Trump was right to suggest just hours ago that the “beginning of the end of terrorism” is near—and if so, would enable the FBI to investigate the greatest crime ever committed against the American people. Stuningly, this report notes, the American people have been kept from knowing by their mainstream propaganda media about the largest leak of intelligence data in that nation’s history that involves more than 600 million classified documents on 47 hard drives taken from the National Security Agency and the CIA proving that the Obama regime spied on over 20 million US citizens (including President Trump) in violation of all laws—and due to former FBI Director Comey failing to investigate this massive crime, has sent such fear into the US Congress, the US intelligence communities authorization to spy on anyone is now in danger of being revoked.

Terrible! Just found out that Obama had my "wires tapped" in Trump Tower just before the victory. Nothing found. This is McCarthyism!

Is it legal for a sitting President to be "wire tapping" a race for president prior to an election? Turned down by court earlier. A NEW LOW!

How low has President Obama gone to tapp my phones during the very sacred election process. This is Nixon/Watergate. Bad (or sick) guy!

This report concludes by grimly noting that even though it now appears President Trump is gaining on his “*Deep State*” adversaries who desperately want a war, [Russia’s anti-missile umbrella defense against a US nuclear first strike needs to be accelerated](#) and [the massive Russia-China war games against the Americans must, also, proceed](#)—with both occurring as President Putin warns: “[I don’t think anyone would survive such a conflict.](#)”

**Critical Note:** As previously written exhaustively about by Sister Ciara in her letter “[Deep State](#)” [In Disarray As Trump’s “Fathomless Federation” Gains Ground](#), President Trump has just nominated [Christopher Wray](#) to be the next FBI Director and join his “*Fathomless Federation*” of global law firm behemoths battling against the “*Deep State*”—and who comes from the 129-year-old global law firm [King & Spalding LLP](#) that Trump has [previously tapped to join this historic war](#).

### Arab Nations Break Ties With Qatar After \$150 Million Contract Offered To Kill President Trump

Another stunning Foreign Intelligence Service ([SVR](#)) report circulating in the Kremlin today states that Bahrain, Saudi Arabia, Egypt, the United Arab Emirates, and Yemen have [broken all diplomatic and travel ties](#) to the [State of Qatar](#) after their receiving confirmation that [Qatari Emir Sheikh Tamim bin Hamad Al Thani](#) was behind the “[dark web](#)” offering of \$150

million to anyone assassinating President Donald Trump—and that this Qatari Emir had secretly vowed to his supporters “would not be in power for long”.

According to this report, on 11 May the SVR reported that a “kill order contract” worth 89,200 Bitcoin’s (now worth \$217 million) had been issued on the “dark web” to anyone who could successfully assassinate President Trump by the end of the month—and that was followed 6 days later (17 May) by the mysterious release of a highly-coded “dark web” conversation held between approximately 5 of these conspirators in the United States intelligence communities “Deep State” conspiring to assassinate President Trump, and whose “conversations” are reproduced herein (see below):

**MF** was mentioned in company group too... Evidently their work on the Limey is paying off.

 Huck May 17 at 2:47pm ✕  
**Not AE, but someone else there. Not sure who. I wasn't listening in, but our carrier pigeon said in debrief that they said something along lines of: "No wonder no one in our business has called Limey out, what's the point when you all keep bringing us great stuff? It actually helps our pageviews when she gets all of her minions fired up with dumb shit first"**

 Severus May 17 at 2:53pm ✕

**Today's time is up. Everyone knows what to do. Tomorrow will be busy day for all, so will let everyone know time when S hears from grapevine**

**Codes used in this “dark web” “Deep State” exchange include: "RR" for Robert Mueller, "MF" for Michael Flynn, and "Limey" for Christopher Steele, a former British MI6 intelligence officer**

The moniker “[Palpatine](#)” used by these “*Deep State*” conspirators seeking President Trump’s death, this report explains, refers to a fictional movie character popularized in the famous Star Wars movie trilogy who is also known as “*Darth Sidious*”, or simply “*The Emperor*”—whom Qatari Emir Sheikh Al Thani is known as too [as revealed by recently hacked emails that show his support for Islamic terror groups all across the Middle East, but that Qatar quickly labeled as “fake news”](#).

Important to note about Qatar, this report says, is that it has the [3<sup>rd</sup> largest natural gas proven reserves in the world after Russia and Iran](#)—but with the proposed 5,600 km (3,500 mi) pipeline project known as [South Pars](#) agreed to by Iran, Iraq, and Syria to ship natural gas to Europe, “*established/created*” the Islamic State ([ISIS/IS/ISIL/Daesh](#)) to throw the entire Middle East into chaos and bloodshed so that Qatari Emir Al Thani, instead, could build his own pipeline.

Aligned with Qatari Emir Al Thani in establishing the Islamic State in order to destroy Syria, Iraq, Lebanon and Iran, this report continues, were [radical Islamic Wahhabism sects within Saudi Arabia](#) and the Obama regime—and with them all believing that Hillary Clinton would become the next US president, [funneled tens-of-millions of dollars into her failed campaign, her money laundering organization called the Clinton Foundation, and even gave her husband, former US President Bill Clinton, a \\$1 million birthday present.](#)

To the horror and bloodshed unleashed by Qatar upon the entire Middle East so that they could build their pipeline, this

report grimly states, was noted by the Obama regime who in one of their secretly released emails stunningly acknowledged what was occurring by their stating “[we need to use our diplomatic and more traditional intelligence assets to bring pressure on the governments of Qatar and Saudi Arabia, which are providing clandestine financial and logistic support to Isis and other radical groups in the region](#)”—and that Wikileaks founder Julian Assange warned was “[the most significant email in the whole collection](#)”.

Neither the Obama regime, or Hillary Clinton, did anything to stop Qatar’s reign of Islamic terror choosing, instead, to create a “*Deep State*” military-intelligence base there—where today over 10,000 American troops, CIA operatives and private mercenaries remain stationed at that nations [Al-Udeid Airbase](#).

Only President Trump, in fact, this report notes, warned the world and the American people what was occurring, when during his campaign for the US presidency, he [publicly stated that President Obama and Hillary Clinton were the founder and co-founder of ISIS](#)—and that he reiterated to the leaders of over 50 Arab nations in Saudi Arabia during [his historic visit there last month](#).

As to why Qatari Emir Al Thani and the Hillary Clinton aligned “*Deep State*” wanted President Trump assassinated by the end of May, this report explains, was to keep him from meeting these Arab leaders in Saudi Arabia—and where Trump and these Arab leaders established the [Global Center for](#)

Combatting Extremist Ideology and, most importantly, formed a new group to cut off all funding for Islamic terrorists.

Egypt President Abdel Fattah el-Sisi (left), King Salman of Saudi Arabia (center) and President Trump (right) commemorate alliance against Qatar and US “*Deep State*”

With Qatar now being isolated by President Trump and his Arab nation backers, this report concludes, the US propaganda mainstream media is, once again, failing to tell the American people the important truths that are now occurring, choosing, instead, to continue manufacturing “*fake news*”—like CNN, who this past weekend after the horrific radical Islamic terror attack in London, were shockingly discovered to be staging “*fake news*” demonstrations that horrified the entire world.
