

Truth Or Fake News? Hidden History Or Propaganda? – You Decide

Without Research And Learning We Are But Sheeples!

By Matthias Chang

Read and study carefully the below pictures and narrative which was sent to me. I am reproducing the same to all of you in the hope that it will provoke you to embark on a painful journey to discover the truth and to distinguish Truth from Fake News. Today and everyday - past, present and the future, we have been and will be bombarded with propaganda and it is almost impossible for the hardworking folks striving to put food on the table to be able to tell the difference between truth and falsehood. They adopt the simple attitude –“since it is published by the government and or main stream media it must be the truth”. But it does not necessarily follows that each and every social-media are truth tellers, because the Deep State also creates, controls and manipulate social media to compete and confuse the gullible.

I want all of you to think and examine which picture and which statement are fakes, outright lies and which are truth and reflects reality!

Hence, it is indispensable that all truth seekers must consciously and conscientiously make an effort to learn truth from facts and not be gullible. So, after reading the below pictures and statements, I urge you to “Google” or use whatever other search engines to surf the internet and get as much information on the topics discussed below and more importantly QUESTION AND THINK CAREFULLY AND CLEARLY BEFORE ARRIVING AT ANY CONCLUSION. TEST EVERY ASSUMPTION OR HYPOTHESIS.

Go to the library and look for history books written from both sides of any political narrative and discourse on any topic. Then, after careful consideration and with your confidence go and tell your family, relatives and friends what you have discovered. Not everyone will have the time and resource to embark on such a journey. It is up to those who have the time, resources and inclination to do their duty to educate and

inform the less fortunate.

I WISH YOU EVERY SUCCESS AND PRAY FOR YOUR GUIDANCE.

Now proceed to examine and learn as I have, before writing to you.

"What the progressives have carefully disguised, however, is the degree to which Nazi anti-Semitism grew out of Nazi hatred for capitalism. Hitler draws a crucial distinction between productive capitalism, which he can abide, and finance capitalism, which he associates with the Jews. For Hitler, the Jew is the unproductive money-grubber at the center of finance capitalism, the entrepreneurial swindler par excellence." **– Dinesh D'Souza**

Some naive Muslims appear to be glad to hear of this latest Judo-Masonic/Marxist attack on free speech in Australia.

The Jewpsy Yid gangsters – such as the multibillionaire Pratt crime family and associated user-friendly politicians dug a big hole in the ground – a mass grave – in which those Muslims will one day see their own freedoms buried, as well. Besides, had the Jew media given its usual silence treatment to the Patriots' prank of 'dummy decapitation', their imaginary offence would have had about the same effect as a pig's head thrown at a synagogue with no Jews.

USS John S. McCain – *nomen omen*

The ship was so named after the notorious traitor – the father of Senator McCain, who eagerly helped the Jew LBJ to cover up the back-stabbing Jew attack on the USS Liberty. That's a second US warship within as many months to have come to grief. Perhaps the captain and his pals just couldn't keep their eyes open – after a seance of non-stop blow-jobs at the hands/mouths of their 'transgender' shipmates?...

What about the Jew shite projected on our TV screens?

Jew fiction = Jew fact

As I was flipping through the channels
the other day, a Jew TV Holoko\$t
survivor was suddenly teleported
to the screen of my Jew box – and
it turned out to be Hawaii Five-O...

**Did they ever refer to the fact that
Hawaii was pocketed by the Jew-Ess
government upon a pretext so
ludicrous that it would be laughed
out of any independent court?...**

**Did they ever mention that, unlike
the Jews, native Hawaiians never
received any compensation for
the real losses they sustained?**

"Other guests had complained that some of
the Jews did not shower before using the pool...
In recent times the hotel became increasingly
popular with ultra-orthodox Jews because
it has been accommodating to their needs,
including access to a freezer to store kosher food.
Since the incident, prominent Jewish rights group,
the Simon Wiesenthal Center, has voiced outrage.
They published a letter demanding that Switzerland
close 'hotel of hate' and penalize its management."

BARCELONA...

Could anyone possibly tell the truth about it, instead of succumbing to the habitual kosher humbug? And the truth remains one and the same: had Hitler really gassed the Jews, we would have never heard of this *Islam*.

Moreover, had the Jews been gassed before or during WW1 – at least as soon as the Jew Fritz Haber, the most notorious war criminal of all times, pioneered the use of poison gas as a weapon of mass destruction – we would have never heard of communism or WW2, either.

NB. The Jew Einstein, as the chief lobbyist for the manufacture of the nuclear weapons – and thus the greatest mass murderer of WW2 – should be primarily associated with the Jew Fritz Haber, as well as with Hiroshima and Nagasaki – and not with the Theory of Relativity.

In the wake of the 1918 Armistice, Fritz Haber did a runner to Switzerland – rightly expecting to be prosecuted for his heinous war crimes.

In the event, however, the Jew banksters saw him awarded the 1918 Nobel Prize for Chemistry. And when this Jew mass murderer found himself unwanted in the Third Reich – and came scrounging to Cambridge, Ernest Rutherford refused to shake the hand of the kosher rodent.

North Korea

Without the Jew-Ess govt's Manhattan Project – lobbied for by Einstein and three other Jews – there'd be still no nukes anywhere on earth.

Without the Jews, there would have never been any communist dictatorship anywhere on earth, either. And without the Jew neocon ventriloquists getting their dummy Dubya Bush to abrogate the *Agreed Framework* of 1994, there would have been none of this latter-day 'nuclear crisis', which, in fact, is not so much of a crisis as just another multibillion-dollar fraud upon the public.

Yes, of course, it's all about keeping the criminal racket of arms manufacturing paying fat tributes to its Talmudic owners. For example, the most notorious Jew neocon Richard Pearle(man), aka *Prince of Darkness*, is known to have owned a 'nice package' of the General Dynamics shares.
