

# Why They Killed Jesus

By Henry Makow PhD, A Jew

April 19, 2019

Jesus' murder was part of a cosmic struggle between Good and Evil, Life and Death.

The arson attack on Notre Dame Cathedral is the latest in the ongoing rape of Christian Civilization. This is part of a larger campaign to mentally enslave or even destroy mankind.

The reason is very simple.

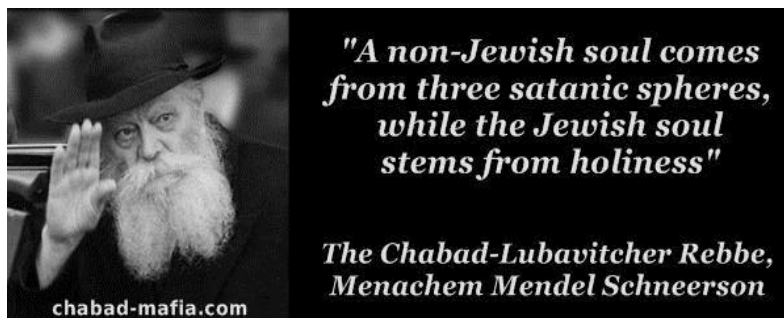

**What is vexing humanity?** The truth is overlooked because we can't believe anything so important could be so simple. When Christ extended God's Grace to all people, he offended the Jews' sense of Chosenness. That, apparently, was an unpardonable sin.

Christ said God is in everyone.

The ability to hear God defines us as "human." It enables us to distinguish between good and evil, right and wrong, beautiful and ugly, sick and healthy.

This Divine Spirit infuses human life, according to all true religions.

**Judaism, however, begs to differ.**

Judaism maintains that only Jews have a soul; only Jews channel God's will; only Jews are human. The earth belongs to Jews. Non-Jews exist to serve Jews.

The Jewish people is the God of the Jewish people, destined to rule the world.

The Jewish hatred of all things Christian stems from this primitive tribal ideology. I would hazard a guess that much of history can be explained by it.

But it gets worse. They need to destroy Christian civilization in order to rebuild the world in their own sick image. They call that "healing the world."

We are very much like passengers in a plane that has been hijacked by a doomsday cult. We're passengers on the Titanic. We're in the thrall of some pretty sick people.

You see, God is their competition. He must be destroyed along with his adherents. In the meantime, mankind must be degraded to the level of - I won't say animals; they are often very decent -- *Demons!*

Mankind must be inducted into their cult, as their servants.

This is the ideology of a small doomsday cult, the Chabad. Most Jews dismiss these people as fanatics and just want to assimilate. They do not subscribe to this megalomania. They are not told about it. How could they be manipulated if they were? For smart people, I have never seen so many dupes. Especially considering how this lunacy puts all Jews in jeopardy.

Rabbi Joachim Prinz remarked on the "apparent inability of Jews to understand or predict their own catastrophes. The Jews, whose history consists of one tragedy after another, has yet to be prepared for any one of them."

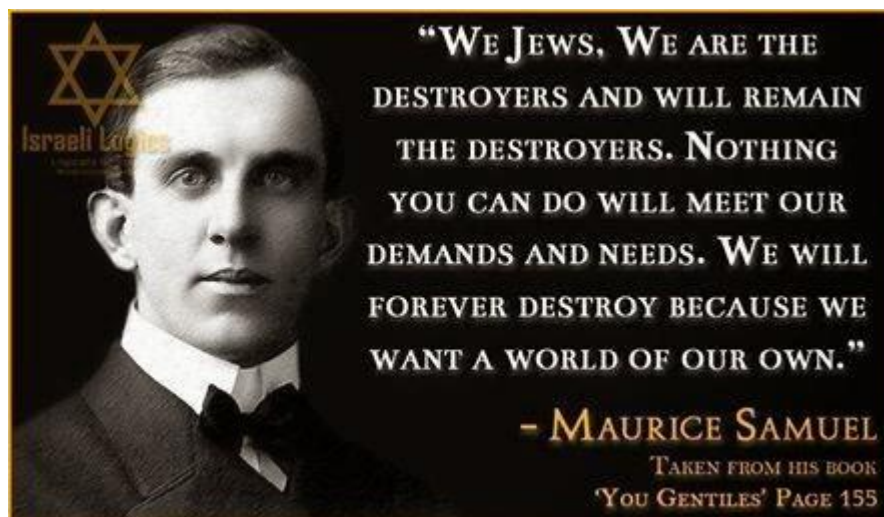

The Jewish leadership -- the Rothschilds and their cohorts -- do follow this ideology. They worship Lucifer and are willing to perform any depravity to prove it. Unfortunately, these lunatics control the world through the banking system.

They have finagled the credit cards of the nations and can afford to buy everything and everyone. They have. "Globalism" is but a mask for their tyranny.

The central banking system epitomizes the Cabalist Jewish ethos: exploiting the goyim. They extract billions of interest every year for producing "credit" out of thin air, something the goyim could do themselves if they weren't so craven, venal and feckless.

## PASSOVER

While Christians commemorate the Crucifixion, Friday, April 19 is also the first day of Passover. Supposedly it commemorates the liberation of Jews from slavery in Egypt. Most likely, this was the first of many Jewish expulsions down through the ages for exploiting the goyim.

Christ's God of Love is not the Jewish God. He is a bloodthirsty tyrant, a national champion who slaughters anyone who gets in their way.

Wikipedia:

*"In the narrative of the Exodus, the Bible tells that God helped the Children of Israel escape from their slavery in Egypt by inflicting ten plagues upon the ancient Egyptians before the Pharaoh would release his Israelite slaves; the tenth and worst of the plagues was the death of the Egyptian first-born.*

*The Israelites were instructed to mark the doorposts of their homes with the blood of a slaughtered spring lamb and, upon seeing this, the spirit of the Lord knew to pass over the first-born in these homes, hence the English name of the holiday."*

## CONCLUSION

I have a reputation as an antisemite, a "self-hating" Jew. This is how they smear anyone who exposes their lies. In fact, I love my fellow Jews. Many are

tremendously talented, hardworking, smart and funny. That's why it pains me to see them duped and used for evil.

You cannot challenge God and ever win in the things that matter.

Cabalists accuse their opponents of "hatred." They are the haters if you include enslaving non-Jews.

As Christ says, God is Love.

God is Life.

The war is not between interest groups. The war is between Love and Hate, Life and Death.

There is no place for hatred of Jews, Muslims, Blacks or Hindus. We were all born into this realm through no choice of our own. Alone, we stumble across the stage of life, and, alone, we face our Maker. All we need is a little love, just like plants need sunshine. We feed on it.

God has given us the miracle of life and bounty to support it. Most of us don't ask for much. The one per cent who are hogging 50% of the world's wealth must relax their grip and allow the hungry millions to have a decent life in their own homelands.

The quest for limitless wealth is self-destructive. It does not bring happiness. The only thing the Rothschilds *don't* have is love. I urge the Illuminati to embrace God and turn their backs on chaos and death. You don't want to hear this. But only God can make you happy. That's what you are really seeking.

We have a choice. We can worship (obey) God or Satan.

If we obey God, the earth will be heaven, because that is the Creator's Plan.

If we embrace Satan, the earth will be hell.

This war is between Life and Death. They are the Spirit of Death. We are committing suicide.

Instead, on this Good Friday, let us affirm Life!

First and foremost, we must be One. We must hold our noses and Love one another.
