

TOTAL WAR ON COVID 19 (SARS-CoV-2) IN 2 PARTS

By Matthias Chang – Future Fast-Forward

Part 1

In the present War on Covid 19, I had stridently called for the entire country to put aside infantile politics, raw emotions, blinkered visions, to have faith in God and to rally behind Tan Sri Muhyiddin (PM), our lawfully and constitutionally appointed Prime Minister and his team to save lives and to secure the country.

Other than the diehard, hard core and mindless supporters of Anwar, Lim Kit Siang (LKS) and the irrelevant Pakatan Harapan (PH) the majority of the people are resolutely behind the PM and his team. I assure you that is the current situation. Desperation and frenzy have infected the minds of the power crazy Anwar and LKS, an infection more deadly than Covid19. This Anwar/LKS political virus (**ALKS-PH-3**) is deadly because this copy-cat infection will destroy our country and reduce our heroic citizens to zombies, if allowed this virus to infect and spread.

The **ALKS-PH-3** political virus unleashed, since late Feb, 2020, is the third **strain** of the **Mother political virus ALKS-PH-1 (known commonly as Pakatan Rakyat)**. It was years in the making and took shape in the crazy Fizzy/Fuzzy Laboratory. The mad political scientists in the said lab, in a last ditch effort for mass infection, decided to mix the DNA sequence of Anwar/LKS with the DNA sequence Tun M in the pious hope that the combination would infect Malaysians permanently. The end result was the virus **“ALKS-PH-2 (Pakatan Harapan). It was packaged not as a virus but as a Manifesto and preceded by several sale prospectus of “impossible promises to be delivered”**.

It worked during the incubation period of approximately of three to four months i.e. January to April, 2018 and became full blown in May, 2018. That was when the Najib Kleptocrat virus (**NAKLEP-CoV-1**) was “eaten up” in the War of Viruses.

If truth be told, the consequences of the **ALKS-PH-2** infection was apparent to me and I warned Tun M that the symptoms had already surfaced just before May 9th, 2019 and to take precautionary measures (see my Youtube video on the Plot to prevent Tun M being sworn as the 7th PM). Facial mask was put on and Tun M seem to have survived the political infection. There was no vaccine available then. But, as time went, it was absolutely clear that the infection was spreading far and fast. **ALKS-PH-2** virus was so audacious, that it fast forwarded and announced the **Kill Shot to annihilate to May 2020** from an approximate date - post **November (APEC) 2020** because of the misplaced confidence that the country had no political vaccine to effectively counter **ALKS-PH-2**.

Therefore, what we are seeing now is the desperate and futile attempt by **ALKS-PH-3 virus** (hastily concocted since March 1, 2020 again in the Fizzy/Fuzzy lab), to unleash the 3rd phase of its nationwide infection by first **infecting all the 222 Members of Parliament by requesting that Parliament be convened**, in total defiance of the Movement Control Order (MCO) and the compulsory need to adhere to social distancing. Infection will also include their own party members to ensure slavish compliance.

Anwar and LKS don't give a damn because they are the DNA embedded in the **ALKS-PH-3 virus**. Anwar and LKS are the personifications of Evil, Darkness, Selfishness and Crazy Power. But, fellow citizens, we need not fear this dark political Evil. We have already produced and are distributing the powerful political vaccine - **Av-ALKS-PH-3 (Anti-Vaccine for ALKS-PH-3) to immunise all Malaysians from this and all past strains derived from the ALKS DNA! This vaccine will ensure that the ALKS-PH virus cannot mutate and or replicate in any form or whatever guise, shape or form. In short, no more PM-in-Waiting/First Family-in-Waiting.**

Be assured that the NAKLEP-CoV-1 virus cannot also mutate or replicate! The adjudication on that evil infection before Allah has already commenced! HE will decide on the solution and vaccine to be administered to save all of us. In the meantime, have FAITH. Ameen.

PART 2 coming soon.

God bless.
