

# **Kit Siang, A Man Without Shame And A Hypocrite.**

**By Matthias Chang – Future Fast-Forward**

I had exposed and whacked Lim Kit Siang (LKS) even before 18.3.2020 as the puppet master of the moribund Pakatan Harapan regime, who in collusion with Anwar Ibrahim (AI), conspired for nearly two years to make AI, the Prime Minister of Malaysia. This sinister plot diverted the attention of the entire country from the pressing matters that needed to be resolved, which culminated in the resignation of Tun Mahathir as Prime Minister on 24.2.2020. The ensuing political mess was the result of this political harlot's betrayal of the country and the rakyat.

**I had openly challenged this political harlot to a debate and demanded an EXPLANATION OF HIS NEGLIGENCE AND HIS KEY ROLE IN THE CONSPIRACY TO EMPLACE AI AS THE PRIME MINISTER, WHICH LED TO THE DEATH OF SO MANY MALAYSIANS.**

This political harlot kept his mouth shut and OFFERED no explanations.

**I challenged this hypocrite to exhibit the minutes of the meeting of the PH Presidential Council Meeting on 21.2.2020 as well as the earlier meetings to show that the said PH regime was concerned by the pandemic sweeping across the world. He could not deliver the minutes because there were no deliberations on Covid 19. Zilch!**

Even Tun Mahathir confessed that he did not realise the extent of this calamity and when he delivered the Stimulus Package as the "Interim Prime Minister", he uttered not a word on saving the lives of Malaysian and on the need for a lockdown to PREVENT the spread the Covid 19 infection.

**There was not one speech by any leaders of the PH regime on the threat of Covid 19 to Malaysia. In fact LKS's son, Lim Guan Eng (LGE) prepared the stimulus package as the then Finance Minister. It is clear that LGE and rest of the DAP goons were more concern about making a success of "Visit Malaysia Year 2020" and the expected windfall of RM100 Billion and the projected arrivals of 30 million tourists to Malaysia. The Health Minister then was equally clueless.**

LKS tried to create confusion in the reportage below by FMT, that what transpired before 18.3.2020 was the "Phase One" of the pandemic in Malaysia. I am now calling LKS a freaking liar, a hypocrite and an irresponsible Member of Parliament for this gross misrepresentation.

It was Prime Minister Tan Sri Muhyiddin Yasin, who on the advice of the Director General (DG) of the Health Ministry, issued a Movement Control Order (MCO) as the immediate step to prevent the spread of Covid 19. The DG has publicly praised our Prime Minister for his timely actions on receiving the advice.

The speed was extraordinary in that PM was appointed on 1.3.2020, assembled his Cabinet on 9.3.2020 and imposed the MCO on 18.3.2020 to face this unprecedented crisis.

**Phase One was the imposition of the MCO and the declaration by PM that our country would be waging a War against Covid 19. This political harlot kept his mouth shut and dutifully complied with the MCO and made no complaints whatsoever because he was scared shit for his life.**

Only today, this political harlot is trying to shift the blame on the Prime Minister and the government. This is what LKS is famous for in his entire career as a clueless and ignorant politician. He is an opportunist par excellence!

I call on the entire country to hold his man and the entire PH leadership for the deaths and economic devastation of our country BECAUSE HAD THE PH regime IMPOSED THE MCO in January 2020, after the W.H.O. had announced the global pandemic, we would have been able to save more lives and reduced the ensuing economic devastation.

But, for the timely measures taken by the PM, Malaysia would not be praised as one of the best countries in the world in managing the crisis and, the best country in whole of Asean, beating Singapore who was initially lauded for their measures.

I challenged this lying scumbag to exhibit, prior to the announcement by WHO of the global pandemic in January 2020 to March, 18<sup>th</sup>, 2020, that he had called on the leaders of his PH regime to impose a lockdown and execute such measures to prevent the spread of the Covid 19 infection. He did not. This scumbag was clueless. He was only too occupied in accusing the PN government as a "Backdoor Government" thereby undermining the constitutional powers of the Agong.

**LKS should be charged for sedition, more so after the speech by the Agong on the 18<sup>th</sup> May 2020 as to how the crisis unfolded. LKS kept his filthy mouth shut and has not issued any statement disputing the facts laid out by the Agong!**

I repeat again my challenge to LKS - account for your inactions concerning Covid 19. If LKS refuse to account, then LKS is a liar, a hypocrite and political opportunist!

LKS should just shut the f...k up.

Read below the nonsense and lies as reported by FMT of LKS's opportunism.

**Show no mercy to him. Whack him now, and at the next election in 2023!**

**DAP must be wiped out from the political scene of Malaysia. DAP is and has always been a racist party. The picture below of LKS says everything that need to be said about this man. Can he be trusted anymore when he**

**had confessed unashamedly that the PH MANIFESTO WAS A BOOK OF IMPOSSIBLE PROMISES which cannot BE DELIVERED?**

Why did he not confess before the election??? Why the confession after he has gained power? It is because this rascal and the PH goons would have been elected and now exposed as liars and will not be able to perform what they have promised. His goons were rated 5/10 by Tun Mahathir for their disgraceful performance!

**Kit Siang blames Sheraton move for second wave of Covid-19 infections**

PETALING JAYA: DAP’s Lim Kit Siang today blamed the so-called Sheraton move which saw the collapse of the Pakatan Harapan government in February for the second wave of Covid-19 infections in the country, saying the movement control order (MCO) could have been avoided if not for the political manoeuvring.

In a statement, the Iskandar Puteri MP said nearly half of the country’s Covid-19 cases could be traced to the Sri Petaling mosque tabligh convention cluster.

The religious gathering involving local and international participants took place between Feb 28 and March 1.

“If not for the ‘Sheraton move’ and the ensuing political turmoil referred to by the Yang di-Pertuan Agong in his royal address at the one-day Parliament sitting on Monday, Malaysia would not have suffered the second wave of Covid-19 outbreak.

“Our total confirmed Covid-19 cases would be in the mid-3,000s, if not below 3,000 cases, instead of nearly reaching 7,000 cases today.”

He said when Malaysia imposed the MCO on March 18, it had held the highest number of Covid-19 cases in Southeast Asia and the 18th highest in the world.

“Now, we have slipped to 56th in terms of total Covid-19 confirmed cases, and in fact, if not for the second wave of the Covid-19 outbreak, we would have ranked above 70 among countries in terms of confirmed Covid-19 cases.”

He said Malaysia should rank behind Thailand which has a population more than double that of Malaysia’s but only 3,033 cases and 56 deaths.

“The cost of the ‘Sheraton move’ and the ensuing political turmoil has been a very heavy one for Malaysia.”

Fortunately, he added, Malaysia did not have to depend on its political leadership to combat the second wave of Covid-19.

“Malaysians have rightly paid tribute to the front-liners who risked their lives and personal safety to bring the second wave of Covid-19 outbreak under control.”

Lim said the government should have presented its Covid-19 exit strategy for the country’s economic recovery during the Dewan Rakyat sitting on Monday.

“When will the government present to the public its exit plan strategy and blueprint, as experts are now advising that the public will have to learn to live with the coronavirus, as an effective vaccine may take two to five years to be developed and be made widely available?”
