

# ANWAR - THE DESPICABLE HYPOCRITE AND POLITICAL CHAMELEON

By Matthias Chang – Future Fast-Forward

The quotation below aptly describes the DNA of Anwar Ibrahim (AI).

**For there is nothing covered that will not be revealed, nor hidden that will not be known. Therefore whatever spoken in the dark will be heard in the light, and whatever have been spoken in the ear in inner rooms will be proclaimed on the house tops.**

In a recent press statement, AI has accused a political leader of wanting to be the prime minister even though that leader has agreed to support Tun M as PM for the full 5 year term.

However, AI does not have the courage of his convictions to name the target of his hypocrisy. This is typical of AI who has a history of cowardice.

**Recap:** AI first stated that he was not in a hurry to be PM. Then he shifted his stance by demanding that he must succeed Tun M on or before two years of Tun M's term of office. He then flipped flopped and demanded he must be PM by 10<sup>th</sup> May, 2020. However, AI had another idea. He wanted to be PM asap.

**When this plot was communicated to me by his bumbling adviser that AI wanted to be PM within a week, and after I had exposed the plot, AI retreated and agreed that he would only succeed Tun M when Tun M "retires after the APEC Meeting in 2020".** Then he shifted again and demanded immediate succession in February, 2020 which was one of the factors that led to the collapse of the PH regime.

**AI recently said that in the future, Pakatan Harapan (PH) must be careful in the selection of the person to be nominated as Prime Minister.** This statement by AI, the political arsehole, is a slap on his own face as he had demanded and had nothing on his mind but to be the PM of Malaysia for the last two years. Lim Kit Siang (LKS) and the rest of the PH goons demanded that only AI must be the PM after Tun M's retirement. PH has recently announced

that AI is now the only choice of PH to be the PM. **Yet, AI is now saying that his goons must choose carefully who should be the future PM, if PH should seize power.**

Is it any wonder that PH goons are now day-dreaming and or in a confused state. AI must be worried and having sleepless nights as after the May 18, 2020 sitting of Parliament, Tun M and Lim Guan Eng (LGE) together with Mat Sabu of Amanah held a Press Conference in AI's absence.

Yesterday, STAR newspaper reported that:

**"PKR will continue to stand with Pakatan Harapan,"** said PKR communications director Fahmi Fadzil (pic) in a statement.

*The statement came following a special meeting on Sunday (May 31), which also discussed issues touching on efforts to curb the spread of Covid-19 and the pandemic's impact on Malaysian society and economy.*

*"Seeing that the effects of the movement control order (MCO) are far-reaching, especially in terms of people's incomes and jobs, the central leadership council will work on drafting a few policies. "These policies are related to the redeployment of labour, efforts to stimulate growth in severely affected sectors or high-potential ones, solving problems related to access to education, and other matters that involve the growth of the economy and the rakyat's interests," he said in the statement.*

**Why is there a need for PKR to assure its partners in the fragile PH coalition that the party would stand with Pakatan Harapan?**

**What is most revealing is the last paragraph above. It is now that PKR is focusing on Covid 19 and would be drafting a few policies. Few weeks ago, I repeatedly whacked the political scoundrel LKS as well as AI for ignoring the Covid 19 crisis facing our country and that they should stop politicking about grabbing power from PN. I even challenge these goons to declare and publish the minutes of PH Meetings that they have deliberated on the Covid19 crisis and their proposals (if any) to overcome the crisis. I declared that they had none and as such their demands for parliament to be convened was a waste of time as they had nothing to offer.**

**The press statement by the PKR Communications Director proves my point that the entire PH leadership consists of political opportunists, hypocrites and liars.**

**I will say it now, loud and clear. PH will never be able to take power ever again. They have swindled and conned the rakyat with their "impossible to deliver promises" Manifesto. This has been expressly admitted by LKS, with Tun M and former AG Tommy Thomas echoing similar sentiments that the Manifesto is not cast in stone and or the Gospel truth.**

**Can these scumbags ever be trusted? You be the judge!**
