

MADNESS IN USA..... PRESENTLY A BANANA REPUBLIC!

By Matthias Chang – Future Fast-Forward

Alexandria Ocasio-Cortez (AOC) of the Democratic Party has issued a battle threat to “*Burn Congress Down* if a replacement is chosen to fill the vacancy left by the death of Democratic Justice Ginsburg, as the replacement is *UNCONSTITUTIONAL*.”

This silly woman does not even know the law and the Constitution and she is a member of Congress. You just cannot make this up!

The lefties in USA are Ignoring the following statements by Democrats themselves, and none other than the late Justice Ginsburg herself, President Obama and the then Vice-President Joe Biden (the present nominee from the Democratic Party for president):

Justice Ginsburg herself, who when asked in 2016 if a President should pick a Supreme Court nominee during an election year, saw her stating:

“That’s their job...There’s NOTHING in the Constitution that says the President stops being President in his last year.”

The statement was supported, in 2016, by President Obama, who said that,

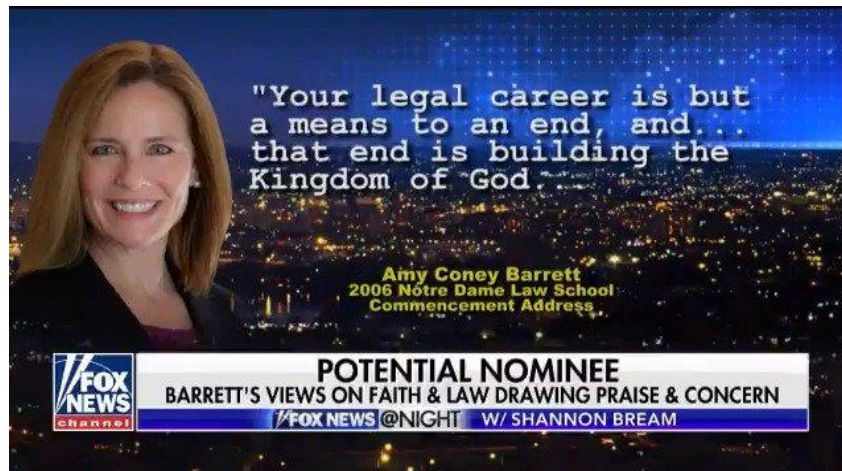

“even during an election year an open seat on the Supreme Court must be filled immediately to prevent 4 to 4 deadlocked rulings.”

And in a March-2016 op-ed published in the New York Times written by current socialist Democrat Party leader Joe Biden, saw him declaring that,

“it is the ‘constitutional duty of a president to name a Supreme Court nominee even in an election year”.”

But, the Democrats are now saying, the vacancy must not and cannot be filled! War will be declared if the vacancy is filled!

And we are told that the USA is a democratic country that respects the constitution.

Just a photo of Judge Amy Barrett and her beautiful adopted children from Haiti

Found on Twitter. They have 5 biological children and one has special needs. When she's chosen let's see how bad the liberals drag her and her family.
