

# Who Has Allah Chosen As Prime Minister Of Malaysia? Who Are the Worst Scumbags, Power Addicts Betraying The Rakyat?

By Matthias Chang – Future Fast-Forward

## A) Introduction

Malaysia is a Muslim country, as the majority of the rakyat are Muslims / Malays. However, the handful of scumbag Malay/Muslim leaders from **UMNO, PKR, AMANAH, DAP and mosquito party PEJUANG** have been shown to be hypocrites, liars and power addicts. For decades, these scumbags have hidden under the veneer of respectability, slick and deceitful propaganda. **But, Allah has been working in mysterious ways and has finally exposed them for what they are!**

My prayers and begging to Allah have been answered.

I left out PAS and BERSATU for good reasons. But, more of that later!

These scumbags and their minions have declared unceasingly that they are the champions and defenders of Islam but they are doing the opposite, **undermining the sanctity of Islam and by their insidious actions, misrepresented and undermined the true teachings of Islam**. They have also sworn to uphold and defend the Agong, our Country, the Constitution and Islam, the official religion of Malaysia! However, they have instead subverted and soiled the integrity of our constitutional and political institutions! They have committed seditious crimes!

The bunch of scumbags I have referred to are:

**Najib Razak, former PM**

**Zahid Hamidi, current president of UMNO**

**Anwar Ibrahim, idiot-in-waiting to be PM**

**Tun Mahathir, former PM**

**Tengku Razaleigh, could have been a great leader – very sad to have to include him**

**And their minions, proxies and arse-lickers (imbeciles and low energy political footsoldiers).**

The Agong and the Sultans are the Heads of Islam in the respective States in the Malaysian Federation. **And Agong has appointed Tan Sri Muhyiddin Yasin (TSMY) as the Prime Minister following the consensus of 222 MPs requesting the Agong to do so to avoid a General Election.**

Allah has therefore CHOSEN Tan Sri Muhyiddin Yasin as Prime Minister of Malaysia, when no one gave him any chances. He was not in the equation because Tun M did not bother about TSMY even though TSMY was the President and founder member of Party Bersatu.

*Tun Mahathir did not have the guts to advise the Agong upon his resignation to call for a General Election. Tun M 's dreams of becoming PM again would be shattered if an election was held! In May, 2020 this chameleon demanded that parliament debate on his power-seeking Motion of No-Confidence against the PM. And recently, in his stupid and misplaced sarcasm, Tun M challenged our Prime Minister to dissolve parliament and call for a General Election, thereby shifting the blame for the inevitable chaos and the cruel slaughter of Malaysians by being infected with Covid19. This is the nature and DNA of Tun Mahathir!*

But, our Agong saw through this dastardly political opportunism and warned that these politicians and second rate leaders to stop the politicking nonsense, lust for raw power and focus on defeating the Covid19 pandemic under the leadership of the PM and PN government.

**Let me repeat the ugly truth:**

Mahathir will not be PM again. Never!

Najib and Zahid are dead ducks. Zilch chance to be PM. Don't they have any shame to drag the good name of Malaysia through the gutters? None!

Anwar is finished, a lying, devious power crazy scumbag and in sheer desperation is now jumping into bed with the two disgraced arseholes. You just cannot make this up! An Imbecile!

Ku Li is a mere pawn of Tun M. It was his political right to challenge Tun M to be president of UMNO. He lost by a whisker because Najib Razak betrayed his trust even as Ku Li was a protégé of Tun Razak and had sacrificed much for UMNO. But, Tun M chose Anwar as a bulwark against Ku Li because Tun M feared Ku Li then. And Ku Li and others in UMNO opposed Anwar to be the PM after Tun M.

But, now Tun M is stark naked, without any political bullets. Tun M is seeking the hypocritical help of Ku Li as a convenient tool, and Ku Li felled for the sweet talk. Years of sacrifices (three decades) and integrity destroyed by the weakness of impatience and lousy strategies from advisers within his inner circle.

**It is so easy to expose Tun M's double-dealings and scam. The advisers of Ku Li, once again betrayed Ku Li as how could anyone forget that:**

Tun promised that he will fulfil the bargain to appoint Anwar as the successor and the 8<sup>th</sup> PM. Both Anwar and Tun M were playing the same political game – to screw each other metaphorically for power. Then the unkindest cut of betrayal against Ku Li. Tun M says that he has chosen Shafie Apdal of Party Warisan to be the 9<sup>th</sup> prime minister. Shafie Apdal lost the Sabah State elections, but he still an MP. But, Tun was never serious. Shafie Apdal was just a mere pawn and now discarded as an useless old rag that is no longer useful.

**Yet, poor Ku Li forgot this recent flip flop by Tun M.**

Now let me tell you guys a bit of history about Ku Li.

In 1996, on the 50<sup>th</sup> anniversary of the founding of UMNO, I advised Ku Li (yes, it was me and not some other arseholes who have claimed and are claiming they were responsible), that on this historic occasion, he must unite with the then PM, Tun M for Malay and Muslim unity and prepare a grand future for Malaysia! I also advised Ku Li to get a mutual friend whom Tun M trusted to facilitate a private venue and to prepare the ground for this historic unity (even though they were perceived as deadly enemies). Another reason was that I had warned Tun M via Tun M's close Chinese friend (a Tan Sri) that Anwar was a danger and submitted a detail advisory and the impending financial fiasco of 1997. This so-called friend, the Tan Sri, panicked and screamed, "Matthias are you mad, whacking Anwar the future PM and now the DPM? No way, will I be the messenger of this nonsense to PM." I insisted, "Tan Sri do it or else he will be personally responsible for the mess." There are much more to reveal, but maybe in my memoirs in the near future.

**Again Ku Li, how could you forget that I had advised you and PM that I had a team of the world's top forex dealers to fight Soros and his scumbags, and you led us to see the PM in his old office to implement a Strategic Plan to save our country from that fiasco.**

How could you forget that I had also advised that we introduce Capital Controls and Forex strategies in 1997 but, the same was only implemented in 1998 and others took credit. Sure there was a minister who wrote a book and taught PM about the intricacies of Forex trading and digital currencies. That I am willing to concede! But, I had formulated the overall strategy and advised Ku Li and Tun. We planned the strategy to bring it to Tun to counter Soros etc. We were sabotaged, and in spite of carrying this heavy load WITHOUT CHARGING ANY FEES by my overseas team or me!

And as they say the rest is history.

Anwar was finally sacked. But, Ku Li was denied his place in history because as advised by his idiot inner circle, Ku Li after re-joining UMNO challenged Tun M for the Presidency of UMNO and lost badly - the horrendous price of impatience!

## **B) The Real Issues**

**The most powerful politician in our country is TSMY, the Prime Minister.** Guaranteed! Forget the arseholes speculating on the number games and the political blackmail by UMNO arseholes and Anwar, the imbecile!

**WHOSOEVER VOTES AGAINST THE BUDGET 2021 IN NOVEMBER AS STATED IN MY VIDEO ADDRESS AND EARLIER ARTICLES, ARE DEAD DUCKS. I HOPE THE IDIOTS DARE DO IT.**

**IT WILL BE A TOTAL POLITICAL SUICIDE. I WELCOME IT WITH OPEN ARMS.**

Metaphorically, blood will be spilt and it will be the coup plotters and Tun M's minions' blood that will be spilt. Castrated for sure if they have any rubber dicks left. They are actually impotent, good for stupid soundbites!

**TSMY WILL EMERGE STRONGER AFTER THIS FIASCO. ONLY IDIOTS WILL SAY TSMY IS WEAK. HE DOES NOT NEED TO PLAY THE NUMBER GAMES LAH!. SO SIMPLE LAH!**

How freaking stupid can these scumbags be after I have stated so openly in my messages that the National Security Council is in full operations since 2016. Suckers never read the Act. That's the problem. See **Section 43 and 44** at the last page of the Act.

### **PART VII**

#### **SAVINGS**

##### **Existing National Security Council**

43.(1) Any act done or action taken prior to the commencement of this Act by the existing National Security Council established by the Federal Government shall be deemed to have been done or taken under this Act and may accordingly be continued by the Council.

(2) Any directive, order or decision made by the existing National Security Council and in force immediately before the commencement of this Act shall, upon commencement of this Act, so far as it is not inconsistent with this Act continue to remain in force until it is revoked by the Council.

## Existing committees

44. All committees established under the existing National Security Council and in force immediately before the commencement of this Act shall, upon the commencement of this Act, continue to remain in force until dissolved by the Council.

TSMY is sitting pretty, calm and steady while the rest of the scumbags are like the cats on the hot tin roof jumping and making so much noise and getting burned. Ouch!!!

They are wasting time making all sorts of speculation. Why people bother!

**TSMY IS COOL AS A CUCUMBER.**

TUN M forgot how Operation Lalang in the 80s was used to secure his power. Ku Li and others were then weaklings and misunderstood about wielding power.

Today, senile Tun M is in the same position as Ku Li in the 80s.

MELAYU TUN M mudah lupa. Hahaha!!!

Want to fight TSMY when NSC is in full throttle operation mode???

How freaking naive and stupid.

The more I tell the scumbags the ugly truth openly, the more stupid these scumbags become and they continue to indulge in the number games and speculation - intellectual masturbation with a rubber dick. Cannot make this up! Trying to prove me wrong or to rattle me.

If I was rattled, then I would not have openly told in advance the End Game. And this has so confused the ARSEHOLES.

I am enjoying myself so much. Allah is with me and they want to defy Allah. How screwed up can they be???
