

By Way of Deception– Rockets Fired At Iraqi Airbase--Prerequisite For Pope Assassination

By Alan Knutson – 4.3.2021

If the Pope gets offed in Iraq and all the "experts" end up saying they had no way of predicting this and now we have to go back into the Mideast and do war to defend god and country, mom and apple pie, remember, it's a LIE and it will have all been set up to wipe out Iran so Israel can assert its hegemony all over the Middle East.

The 70 million+ evangelicals in America, who generally "hate the flippin' Catholics," will all of a sudden find "spiritual solidarity with our Catholic brothers and sisters, put aside minor differences and join hands in defeating 'dem ragheaded hoards of MOOSElimbs !"

Pope Francis due to visit Iraq on Friday in first-ever papal trip to the country.

Remember that the primary reason for the Israeli-engineered terrorist attacks taking place on 9/11/2001 was to ignite the 'clash of civilizations' featuring the world's 2 billion Christians and the world's 2 billion Muslims fighting each other to the death, leaving only Judaism standing as the world's lone 'monotheistic' religion.

The fact that Francis is scheduled to meet with Sistani in what would be at least ostensibly a friendly environment of Crescent & Cross solidarity is something that the OFAG–organized forces of anti-Gentilism–would seek to prevent at all costs, and **how better to do this than to have the leader of the largest Christian sect in the world–the Catholic Church made up of over a billion people– assassinated in an act of 'Islamic' terrorism?**

More specifically, since the latest rocket attacks have been attributed to an 'Iran-backed' group, how much better for Judea's plans of seeing a war started with Iran?

AND EVEN BETTER STILL as far as Judea is concerned is the fact that the present occupant in the White House JUST SO HAPPENS, BY PURE COINCIDENCE, ALL CAN BE SURE–to be a 'Catholic', so who better to re-ignite the 'war on terror' and the 'clash of civilizations' which the OFAG got started on 9/11 but which POTUS DJT de-escalated for 4 years than he, Joe Biden, following the martyrdom of his 'beloved father of the faith'?

Lest we forget—

‘The state of Israel must invent dangers, and to do this it must adopt the methods of provocation and revenge.... And above all, let us hope for new wars with the Arab countries so that we may finally get rid of our troubles and acquire our space...’ —Former Israeli Foreign Minister/Prime Minister Moshe Sharett

As we like to remind our readers here on a regular basis, no one ever accused the Jews of being stupid!
