

Netanyahu Misquotes The Old Testament To Justify Genocide But Religious Leaders Stay Silent!

By Matthias Chang – Future Fast-Forward

The Prologue

The reason that there are so much hatred and mistrust by followers of all religions against each other, is because zombie followers are too damn lazy to read and study their scriptures and have willingly delegated that critical responsibility to the “Men of God”, who have “studied God” but are equally ignorant. Then, there are those who promote and sustain the “spiritual power” agenda as a route to seize political power. To name a few, they are:

The Zionist Talmudists in Israel, USA and UK!

The Christian Zionists in USA!

The suave Gurus of India!

The ISIS and their clones in the Middle East!

The most sinister criminals are the Zionist Talmudists who hijacked Palestine, committing mass murders and claimed that they are God’s “Chosen People” and have the “God Given Right” to establish a State reserved only for the “Jews”. But, the said “Jews” from all over the world were misled by the Zionist Talmudists to go to Israel.

Yet, there are “Jews” who opposed the creation of the state of Israel.

To name a few, and to explain:

The anti-Zionist world-view of the ultra-Orthodox groups Neturei Karta and Satmar Hasidism perceives Zionism and the establishment of the State of Israel as an anti-messianic act, conceived and born from sin.

These groups vigorously deny the very legitimacy of the collective political return to the Holy Land and to Jewish sovereignty. For them, this is the handiwork of humans, violating the Jewish people's oath of political quietism.

In the words of the Midrash (as expounded by Rashi), the people were adjured not to return collectively to the Land of Israel by the exertion of physical force, nor to “rebel against the nations of the world,” nor to “hasten the End.” In short, they were required to wait for the heavenly, complete, miraculous, supernatural, and meta-historical redemption that is totally distinct from the realm of human endeavour. This waiting over two millennia manifests the very essence and singularity of the Jewish people, expressing their faith in divine providence, in the assurance of the prophets, and in messianic destiny.

In the words of the late Satmar rebbe, Yoel Teitelbaum, “even if the members of the Knesset [Israeli parliament] were righteous and holy, it is a terrible and awful criminal iniquity to seize redemption and rule before the time has come.” According to this logic, the concepts “state” or “state” [one run according to Jewish law] are oxymorons; any Jewish state prior to the messianic age—by the very nature of its human, natural, mundane provenance—undermines and denies the Torah and takes a stand against the Halacha.

The faithful, therefore, are not enjoined to struggle for the refashioning of the Jewish character of the society and the state but are required to unqualifiedly isolate themselves, to separate themselves socially from the majority of the people of Israel and politically from the State of Israel. Consequently, any use of Zionist budgets and institutions is utterly forbidden, the members of these circles doing their utmost to deny themselves any benefit from them.

In this orthodox anti-Zionist view, then, the only hope for the Jewish state is its total destruction.

The Stark Reality and Ugly Truth

Before we examined in detail and debunk the scriptural ploy of Netanyahu's propaganda, we need to address the “secular” and “Imperial” reasons for the creation of Israel, which in spite of my repeated exposures have fallen on deaf ears.

The mass murderers, rapists and plunderers get away with their crimes in Israel is because people like YOU, yes YOU, turned a blind eye to the Truth and condoned the atrocities and cried crocodile tears, pretending not to know!

I even uploaded an article on 17th November, 2023 to my website for YOU to read and study, but, no freaking reactions!

IF THE HAT FITS YOU PUT IT ON. If not, and you uphold truths, viral this article far and wide!

I will now cut to the chase.

President Biden stated and I quote:

“If we look at the Middle East, I think it’s about time we stop, those of us who support, as most of us do, Israel in this body, for apologizing for our support for Israel. There is no apology to be made. None! It is the best \$3 billion investment we make.”

“Were there not an Israel, the United States of America would have to invent an Israel to protect her interest in the region; the United States would have to go out and invent an Israel.”

“I am with my colleagues who are on the floor of the Foreign Relations Committee, and we worry at length about NATO; and we worry about the eastern flank of NATO, Greece and Turkey, and how important it is. They pale by comparison... They pale by comparison in terms of the benefit that accrues to the United States of America.”

On October, 2022, Biden stated:

“We’re also going to discuss the ironclad commitment – and this is, I’ll say this 5000 times in my career – the ironclad commitment the United States has to Israel, based on our principles, our ideas, our values; they’re the same values. And I have often said, Mr. President [Herzog], if there were not an Israel, we would have to invent one.”

Prof Michael Hudson informed us, and I quote:

“Israel is a landed aircraft carrier in the Near East. Israel is the takeoff point for America to control the Near East... The United States has always viewed Israel as just our foreign military base... When England first passed the act saying that there should be an Israel, the Balfour Declaration, it was because Britain wanted to control the Near East and its oil supplies...”

“And then after that, of course, when Truman came in, the military immediately saw that America was replacing England as the chief of the Near East...”

The U.S. National Security Council wrote:

The United States'] goal is to preclude any hostile power from dominating a region critical to our interests, and also thereby to strengthen the barriers against the reemergence of a global threat to the interests of the U.S. and our allies. These regions include Europe, East Asia, the Middle East/Persian Gulf, and Latin America. Consolidated, nondemocratic control of the resources of such a critical region could generate a significant threat to our security.

In 2004, National Military Strategy stated:

“Washington stressed that its goal was “Full Spectrum Dominance – the ability to control any situation or defeat any adversary across the range of military operations.”

Writing this article has been rather painful and I almost puke when I stared at the harsh reality that Malaysians don't care enough. I cannot fathom how a nation liked Malaysia, can be so cowardly and selfish!

Revisiting Netanyahu's Propaganda

Netanyahu quoted the Book “Samuel” in the Old Testament which is the Torah, to justify Israel's genocide of the Palestinians in Gaza.

Samuel 15:3:

“Now go and attack Amalek and utterly destroy all that they have and do not spare them. But, kill both men and women, infant and nursing child, ox and sheep, camels and donkeys”

Note that this Book in the “Old Testament” is referred to as “Samuel” and it is the Prophet Samuel's words to Saul, invoking God, as a basis for his evil instructions to slaughter the Amaleks!

Samuel **wanted Saul** to be the King. But, Saul was **NOT** anointed as King because Saul **DISOBEYED** God's commandments.

Till today, historians **cannot agree** as to who is the author of the Book “Samuel”.

And yet Zionist Talmudists are exhorting Jews to commit mass murder on innocent Palestinians... misled into believing that the words quoted above came from GOD. Blaspheme!

Not one Christian that I know has written any article to expose the lies of Netanyahu. Why??? They don't know their Bible and a fascist Zionist Talmudist was able to mislead them as to God's will.

Revisit The Torah Jews in the Prologue

Having worked with Rabbis steeped in the traditions of the Torah, and rereading the above passages extracted from ***The Encyclopedia of Judaism***, I trust and I pray that you will have a better understanding that there are millions of “Jews” that oppose Israel and condemn Netanyahu and Israel for the genocide taking place right now!

Truth Will Prevail.

Believers Will Prevail.

Non-Believers and Cowards will burn and burn for their connivance and cowardice and condoning genocide! Beg for mercy!
