

Dear Non-Believers and Hypocrite Believers

Never before in all my years of meditative practice has Whisper commanded that I share this Message **BEYOND ALL BORDERS, PHYSICALLY AND SPIRITUALLY** - a priority to Non-Believers and a Final Warning to hypocrite Believers as they are worse than Non-Believers.

Whisper came to me after a long absence and grimly said:

“Matthias, you have experienced strange and horrifying visions, sleepless nights and daily disappointments. We **allowed the infliction** of the pain and suffering that you have endured. We did not interfere as they were **the pre-requisite for this message, so that you will convey this warning as received - verbatim!**”

“Why, the priority for non-believers? Because they were not given the Grace and Opportunity to see the ugly and but necessary truth and were kept in the dark. **The hypocrite believers – they were given the Sight but they repeatedly turned their backs on HIM and chose Evil. By their inactions, they are complicit in the horrendous crimes committed against the Innocents.**”

“They pretend and utter in horror that barbaric crimes have been committed against Innocents, purely to sooth their egos and grandstanding. **Such behaviour is just a COVER AND HAS BEEN DISPLAYED BY BELIEVERS FOR CENTURES.** Millions have been slaughtered over the ages, but the Believers did nothing and made excuses for their inactions. So, why are you so disappointed and disillusioned??? You ought to know and expect that such hypocrisies will manifest.”

“The Innocents died for you and your people. Those who fought Evil died horrible deaths so that those who survived will change and believe. Those who died in HIS name are the CHOSEN ONES!”

“Let this be clearly stated. The Believers who did nothing to protect the Innocents will suffer a **KARMIC RETRIBUTION** beyond their imagination – for the years of the ‘**living hell**’ is but a grain of sand as measured in their time. **It is NOT HIS TIME ... and all the waters of the oceans cannot remove or wash away the stains of the blood shed by the Innocents.**”

“And yet, the audacity of the **Believers of All Faiths** to question without shame - ‘**Why did God allow such crimes and atrocities to be committed?**’ when for ages, **it is their inactions, cowardice and lack of Faith that have caused and will cause the horrors. They were COMPLICIT IN ALL THE CRIMES COMMITTED.** The barbaric and senseless deaths of the Innocents were reminders, but the hypocrite Believers cared not!”

“We understood that not all are willing to be ‘soldiers’ for HIM, to fight against Evil, but not to do anything at all, even asking the simple question – ‘If we cannot fight, because we lack the faith, what can we do to help?’ is unacceptable.”

“They expected and demanded others to do the heavy lifting and thereafter claim the victory and credit whenever convenient!”

“We observed that you often reminded the so-called Believers of ALL FAITHS of the courage and faith of the young American student, Rachel Corrie who unselfishly went to Palestine to help the Innocents and was brutally slaughtered by the coward Israeli soldier who drove the bulldozer that ran her down for standing in the way to defend a Palestinian family and their home from being destroyed. She died instantly, a martyr’s death. **She died because of the stories of slaughter she read and heard and the horrific pictures of war crimes she saw, as motivation for that self-sacrifice! She did not go to Palestine to be motivated. Her Faith drove her to serve HIS Will before she went to Palestine!”**

“She DID NOT GO TO PALESTINE AT ALL, BEFORE HER FIRST VISIT. Yet, so-called believers of ALL FAITHS utter the frivolous excuse for inaction – ‘Rachel Corrie and other martyrs have been to Palestine. We have not!’ Surely, Rachel Corrie and other martyrs were never in Palestine before their first visit. No one had to be in Palestine or other places where war crimes have been committed, before rendering any help.”

“So, you now understand why the Believers of All Faiths are hypocrites and have blasphemed HIS name for their complicities in these crimes against the Innocents by their inaction and excuses.”

“It is not how one lives, but how one dies that matters. Just before a person breathes his/her last breath, his/her entire life flashes before his/her eyes and what thoughts or words he/she says in silence will determine the Karmic Blessing or retribution that he/she will receive.”

“Genocides are committed on a daily basis. HE waits patiently and observes who will protect the Innocents and who cannot be bothered. Each person has a Free Will and must behave and struggle as Justice and Righteousness demands. Why do you fret, get stressed out and worry when each and every one will be judged accordingly? Have you not seen enough – governments, charities, NGOs, for glory and personal publicity, rush to provide food, drinks and clean the debris after floods or other natural disasters, **but would not rush to come to the aid and protection of the Innocents slaughtered by war criminal State Actors and soldiers and**

civilians armed by their governments to commit ethnic cleansing motivated by hate and Evil?"

"The irony is that people fear death, the devil, the horrors of war crimes, the wantonness etc. but they give no thought to the karmic retributions from HIM. In parting, we remind you to never forget that you are being evaluated and judged every single day by HIM. Pray and pray for strength and HIS Blessings that you will never be found wanting to do HIS WILL because of cowardice and the lack of faith. Even the closest to you will betray you and the pain will be unbearable. You will question your own sanity..... Why? Why?"

"Remember, HE IS NOT TO BE BLAMED! It is the Believers of ALL FAITHS that has betrayed HIM and you. It is their complicity in this genocidal crime!"

"Whether you die and your blood shed for the Innocents or live for such time as to fulfil your covenant to HIM in your meditation, only HE can decide. Have FAITH!"

It took me a long time to digest the message and to put it down in writing. I hope, I got the message right and verbatim my conscious mind worked overtime and finally IN THE SILENCE of my private office, I wrote down the message and uploaded the message to my website, as I have been tasked to convey this message beyond all borders, physically and spiritually.
