

On Death - Meditative Insights from A Truth-Seeker

Over the span of many years, a decade and more, I have shared my meditative insights with my family and a selected circle of recipients, but not to my global network.

Rather strange?

Not really. I do what I am told to do.

I named the messenger of my insights, “WHISPER” because the messages were conveyed to me in whispers in the wee hours of the morning - from 3 am and during my meditative perambulations, once at home and again, in the solace and serenity of my office – the comfort of the soundlessness of nature.

I was told to convey but not to persuade anyone of the truthfulness of the messages for no one would believe me. This was my saving grace – to convey, not to convince.

This morning, I received an instruction from Whisper that my messages must be conveyed to the world, for the Chosen few who believe, are those far beyond the borders of my country.

WHISPER said,

“...The land in your country will soon be barren, a wasteland. **There is no possibility of growth and sustainability as your people were told but did not listened. Their Free Will has spoken. Just as they turned their backs on Truth, so you must turn your back on them. Save your family and no one else.**”

“... Even then, and no one is exempted, **all must LIST down all their fears, and why they fear DEATH, but not the Death of the Karmic Retribution of their souls.**”

“It has been written in the Holy Scriptures of All Faiths, that the cowardly, the unbelievers, the vile, the mass murderers, worshippers of Satan, those who indulge in magical arts, the idolaters, the liars and false prophets will be consumed in the fiery lake of burning sulphur.”

“The savagery of the mass murder of the Innocents is plain for all to see. The perpetrators have openly declared their intentions to commit mass murders in official documents, in public interviews and yet no country has dared to put an end to the mass murders of the Innocents.”

“... You have, since 2021, warned that the world would be fractured, wars will rage and the Innocents massacred. **You have told your people that**

your country is fractured, and will continue to be fractured and the end game would be a broken country. No one cared enough to lift a finger to avoid this calamity!”

“The dark clouds of despair are on the horizon, wars are raging and millions have been slaughtered and wasted by modern technological weapons. Weeping mothers cannot even find their loved ones for burial, buried un rubbles.... How much more is, ‘enough is enough?’ ”

WHISPER in exasperation reminded:

“In WWI, 21.5 million died, the majority, 13 million were civilians. The civilian deaths were largely caused by starvation, exposure, disease, military encounters, and massacres. In the WW II, 40-50 million died, ending with the nuclear holocaust of Nagasaki and Hiroshima and the fire bombs unleashed on Dresden. The mass murders which exceeded the crimes of the defeated perpetrators were accepted and condoned because the Victors in those wars demanded so! Our hands are stained by the blood of the merciless victors who pride themselves as ‘Believers’ and “God-Fearing.”

“Yet, the audacity of the so-called Believers who asked, ‘Why did God allowed such monstrosities?’”

“Matthias, we are more than aware that everywhere you turned to, negativity stared at your face. You have done enough for your people as your duty is to convey, not to persuade them to accept the Truth. You are permitted to turn your back on them. No indulgence is needed to extend to them a final warning, as you have granted, in spite of our cautions, sufficient warnings.”

“Walk away and focus on your family. That is your priority!”

“From today onwards, cease sending messages or articles which are not messages from your meditative insights.”

Whisper warned me that there will be no further insights until and unless I have implemented this directive.

The ugly and painful truth hit me HARD... If MY people care not the wanton rape and murder of the Innocents, why should they care about the Truth?

What took me so long to realise this Truth? I failed to internalise my experience!

At last, I am at peace, and I pray that my family and I would be blessed.

Matthias
