

Open Letter to Tun

Dear Y.A. Bhg. Tun,

I am pissed off!!! Not one of the Foundations that Tun and I set up years ago has done anything to help the Palestinians, even during the present genocidal war against them.

Why????

There are so many Malaysian NGOs having their own selfish agendas and riding on Tun's name to hide their cowardice.

IN THE PAST BUT FOR THE FOREIGNERS WHO GAVE THEIR ALL TO HELP US IN OUR EFFORTS TO HELP THE PALESTINIANS, WE WOULD HAVE FAILED.

Just to name a few that joined our efforts, without hesitation upon contacting them:

Mairead Maguire (Nobel Peace Laureate) from Northern Ireland;

Denis Haliday (former Asst. Secretary General, UN) from Ireland;

Han von Sponeck (former Asst. Secretary General, UN) from Austria;

George Galloway, (former leader of the Respect Party) from UK;

Cynthia McKinney (former US Congresswoman) from USA;

Prof. Michel Chossudovsky, from Canada,

From Malaysia, brave Malaysians which **I had the honour to serve with and under their respective leadership :**

Col. Rafie (Rtd) of the Overland Mission (the International Convoy) to Gaza established by George Galloway;

Captain Jalil who commanded **MV Finch** that sailed to Gaza, and our unprecedented penetration of Israel's 20 sq. miles of the Security Zone, that blockaded Gaza) and

The Rt. Hon. Kadir Sulaiman (former Senior Federal Court Judge, Chair of the Kuala Lumpur War Crimes Tribunal) and others.

I had offered to go to Gaza to **fight with and alongside the brave Gazans but sad to say that only one colleague, a former CPO of Pahang and member of the distinguished UTK Team that served Tun** whose name I am withholding for security reasons for the moment, **has offered to join me** to go to Gaza.

I am so ashamed that Malaysians who wear their religion on their lapels, **have no guts to even offer to do the bare minimum** in helping me to established the **Pheonix Brigade** to fight in Gaza and the Humanitarian Aid Flotilla "**The Spirt of Rachel Corrie**" (in honour of the **US Christian student, murdered by a Zionist Bulldozer, by running over her, when she was resisting the destruction of a Palestinian home**).

I am willing to meet Tun, at any time to go to the bottom of this shameless cowardice of the various Foundations set up by us to help the Palestinians.

IF THE HATS FITS THEM, SUE ME SO THAT I HAVE THE OPPORTUNITY TO SHAME THEM IN AN OPEN COURT TRIAL. LET THE TRUTH BE KNOWN.

HOWEVER, AND IT IS NOT TOO LATE, IF THESE FOUNDATIONS WERE TO TAKE STEPS TO HELP THE PALESTINIANS, I AM WILLING TO WORK WITH THEM.

UNTIL TOTAL VICTORY, GOD WILLING!

MATTHIAS

PS Michel and Cynthia.

I have not obtained the emails of Mairead, Denis and Hans. Please forward this message and email to them if you can. I want to set the record straight for posterity. Thanks for the help and love. I need

your love so much, to sustain my efforts. I am blessed for knowing all of you.

God bless.
