

Islam Betrayed And Subverted By Muslim Leaders In The Middle East & Beyond

By Matthias Chang – Future Fast-Forward

A Warning

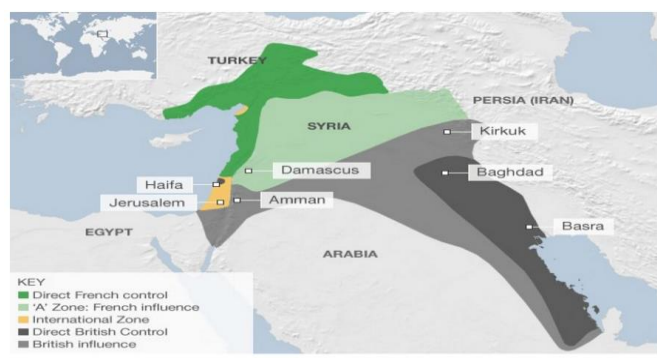

Surah 8- Al Anfal: 36-37

The Unbelievers spend their wealth to hinder (men) from the path of God, and so will they continue to spend; but in the end they will have (only) regrets and sighs; at length they will be overcome: And the Unbelievers will be gathered together to hell. In order that God may separate the impure from the pure, put the impure, one on another, heap them together, and cast them into hell. They will be the ones to have lost.

A Brief Historical Background

No one who is a genuine Believer will be surprised by the title of this article since the creation of the “Islamic States” in the region was by the hands of Evil before the conclusion of WWI. Prior to WWI, the entire region (the so-called Middle East) was part of the Ottoman Empire. The countries that are demarcated in the ‘modern’ map of the region did not exist at all. The Sykes-Picot Agreement (1916) was a private wartime treaty between Britain and France. It was named after its chief negotiators, Mark Sykes of Britain and Georges Picot of France.

France and Britain divided up the Arab territories of the former Ottoman Empire into spheres of influence. In its designated sphere, it was agreed, each country shall be allowed to establish such direct or indirect administration or control as they desire and as they may think fit to arrange with the Arab State or Confederation of Arab States. Under Sykes-Picot, the Syrian coast and much of modern-day Lebanon went to France; Britain would take direct control over central and southern Mesopotamia, around the Baghdad and Basra provinces. Palestine would have an international administration, as other Christian powers, namely Russia, held an interest in this region. The rest of the territory in question—a huge area including modern-day Syria, Mosul in northern Iraq, and Jordan—would have local Arab chiefs under French supervision in the north and British in the south. Also, Britain and France would retain free passage and trade in the other’s zone of influence (Source: history.com).

How The War Party Economy Was Funded

The Vietnam War drained the coffers of the Zionist Anglo-American Empire and President Nixon was compelled to abrogate the international financial order established after WWII when he disallowed the conversion of the US\$ for gold at the agreed exchange rate US\$35 per oz of gold and in the result, converted the global reserve currency from a gold-backed currency to a 100% fiat currency.

But, for the imposition of the Petro-Dollar (the sale and purchase of crude oil to be denominated in US\$) that created the artificial demand for US\$, and the maintenance of US hegemony, the de-dollarisation of the US\$ would have happened much earlier as opposed to the current status, some 50 years later.

The Muslim leaders in the Middle East who triggered the false flag “Oil Embargo” were then summoned by Kissinger to agree to the denomination of crude oil sales in US\$, on the assurances that all the absolute monarchs would be protected under the nuclear power of the United States. The lesser threat and theatrics, was that Israel and its mythical military might would be restrained, so long as the Palestinian “issue” would not jeopardised the status quo in the region.

The financial consequence of the above arrangement was that the bonanza from the crude oil sales in US\$ must be “invested” in the USA via US Treasuries and other dollar assets etc. This slimy deal enabled the US to demand that global trade must also be denominated in US\$. As a result 80% of global trade was denominated in US\$, until the last few years!

This was the biggest and most audacious Ponzi scheme in world’s history. The Emperor had no clothes but, the world was so brainwashed and subservient that no political leader dare to question the hegemonic might of the US. However, at the material time, I had the audacity to call the US\$ “Toilet Paper Money” as what the US Federal Reserve and the US Treasury needed to do was to “manufacture / print” toilet paper money to sustain its economy.

The irony was that all the global creditors (Japan, China, etc.) in reality, FINANCED all the wars, the unbridled slaughter of the Innocents by the US, UK, NATO etc. for over five decades and continue to do so, even as I am writing this article!

Additionally, the Muslims leaders supported the Military-Industrial-Complex by buying third weapons (but sold as “first rate”) weapons to arm and defend against enemies created by the Global Deep State. And adding insult to injury, all terrorist organisations such as Al Qaeda, ISIS etc. in the region were and are created by the Western Intelligence Agencies and these absolute monarchs and cronies were brainwashed to believe that their regimes needed the US might to protect them from such threats!

The Muslim “David” Fighting Against The US, UK & NATO “Goliaths”

Over 30,000 Palestinians in Gaza have been murdered in cold blood in the current genocidal campaign by Israel. In spite of all the noise and blusters, **not one Arab Muslim State** (save Yemen) has fought alongside the Resistance Forces in Gaza. The October 7th Attacks by Hamas have shown beyond all doubts that Israel and its so-called mighty army is a myth and can only murder and slaughter women and children. Israel has even withdrawn its “Elite Brigades” from the war zone and the soldiers and pilots are openly disobeying commands and orders to kill, bomb and murder innocent children and women.

“David” Hamas took on Israeli Goliath and defeated them in the war on Gaza and Netanyahu has failed to achieve any of its touted aims / objectives to wipe out Hamas in Gaza.

The Ansarullah of Yemen blockade of the Red Sea crippled the economy of Israel and took on the might of the US aircraft carrier group and scared them to the extent that they have to depart to their home base.

Hizbullah’s menacing attacks on Northern Israel has resulted in hundreds of thousands of Israelis abandoning their homes in the entire Northern Israel and fleeing to temporary shelters far away from the daily and constant bombardments by Hizbullah. Israel’s Iron Dome was shown to be utterly useless when it failed to destroy Hizbullah’s missiles, when it was hailed as the best aerial and missile defence system in the world.

Islam Did Not Fail The Genuine Believers

The Muslim Arab leaders have failed and betrayed Islam. Their survival depends on their continued subservience and obedience to the Zionist Anglo-American Empire.

Why?

I cannot put it better than to quote verbatim an American Muslim, Kevin Barrett’s observations:

“...Arab leaders are simply acting within constraints imposed by the power of circumstance. How did they and their regimes arrive at such circumstances? By way of long process of cultural decline - whole peoples led by their elites, have repeatedly chosen expediency over ethics, laziness over diligence, egotism over Islam (submission of self to God).

“So, the deeper reason the Arab nation is so helpless today is that it, like much of the rest of the world, has declined in spiritual quality, allowing itself to be divided and conquered by the forces of Evil. The mediocre-at-best leaders that predominate in today’s Arab lands, like the shattered and corrupted societies they preside over are simply not a match for demonic energy of the Zionist shayateen.”

We have to look to the “David” of the Muslim world, like the leaders of Yemen, and the Palestinian Resistance Forces who dare take the fight to the Evil forces - the Zionist Anglo-American shayateen, before we can say that ultimate victory is a matter of time.

The wearer of a Palestinian scarf over one’s neck does not make that person a believer or a faithful follower of Islam that would be willing to make the ultimate sacrifice for Justice, Truth and HIS Blessings.
