

Whisper's Second Meditative Insight / Message To The Global Audience.

Shared by Matthias Chang

The first message from Whisper was conveyed on the 9th March, 2024 and as directed, I shared with the world, by uploading to my website – www.futurefastforward.com. May I suggest that you print out the messages and store the messages in a file and place it near an altar or a place of worship.

One day, you will realise that the messages are Gifts that will transform your out-look and help you “Cross-Over”.

Whisper in the “soundlessness” of the early morning “light darkness” whispered:

“Matthias, your world is so full of noise and distraction that only a handful “listened” and paid attention to the power of “Silence” in the Realm of “Soundlessness”.

“We observed that you have devoted almost four (4) decades in mastering “Qi Gong” and have yet reached the status of a “Master” – the martial art of fighting blind-folded and to respond solely by “listening” to the “sounds” of your opponent’s movements. You dare not and refused to arrogate your status to that of a “Master” and continue to strive for mastery. That is correct and only fitting. Only a handful of Masters have the ability and gift to survive in the realm of silence.”

“Only the insensitive, the wondering lost souls and the arrogant deny the power of ‘Silence’”

“Why???”

“People have lost the Gift They forgot the “purest love” that of a Mother to her unborn baby was bestowed and gifted, when the Mother and the unborn baby “talk” and “communicate” purely by silence, the Sound Waves of Love.”

“... Magical! Powerful! Miracle of Life! ...”

“Throughout the ages, and more pertinently in your modern period (a misnomer, since your people are still so “primitive”) we have in mysterious ways reminded those who wish to listen to the Gift of Silence. Did HE not inspire the songs:

The Sound of Silence and the lyrics are:

*Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping*

*And the vision that was planted in my brain
Still remains within the sound of silence*

And “When You Say Nothing At All” and the lyrics are:

*It's amazing how you can speak right to my heart
Without saying a word, you can light up the dark
Try as I may, I can never explain
What I hear when you don't say a thing
The smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never leave me
The touch of your hand says you'll catch me wherever I fall
You say it best, when you say nothing at all...*

“The purest love was conveyed through the silent love of the Mother.”

“There is a profound reason for meditating in the early hours of the morning and your people must banish the stupid thought of “Emptying Your Mind” as when even in ‘Emptiness’ there is ‘Soundlessness’ and the purest thoughts and messages are **conveyed in silence** to **those who are willing to listen to our ‘whispers’ ...**”

“So, you must listen to ‘silence’, beyond the words conveyed For in the spiritual soundlessness (silence) of our realm, HIS Absolute Truth will be revealed Don’t be impatient and in a hurry. It took you decades to train in Qi Gong and you have yet to attain mastery. Therefore to “Cross-Over” and be with HIM is a Spiritual Quest that can only be attained when **YOU LISTEN** to Soundlessness

“There is no other way or path.”

During my perambulation, this Meditative Insight strengthened my quest, and being human and flawed, I found the way to overcome the challenges – Listen to Whisper and his Silent approaches and departures

I am blessed for this Gift, given only today, after decades of practice. Time is irrelevant, for our time is not HIS time!
