

Whisper's Third (3rd) Message – Light & Darkness Only Relevant In Your World

Shared by Matthias Chang

What I am sharing with you will shatter whatever you have learned about “Light” and “Darkness” especially in the Spiritual Realm, as you have been misled, lied to and kept ignorant of the Essential Truth ...

Whisper with patience consoled me,

“Matthias, you were given a special Gift and a discipline inculcated for more than four decades, yet you **have not truly understood the enormity of the Truth about ‘Light’** – I suppose you missed the essential Truth because you were seeing with your Heart but thought you were seeing with your eyes ...”

“Matthias, why do you wake up every morning at 3 am without fail and with such eagerness? It was so very ‘dark’ at 3 am, yet you **did not** or **need to switch on** the light bulbs on the wall. Was it not counter-intuitive at the beginning? And subsequently you took for granted that you could see beyond the darkness of the morning at 3 am with your Heart.”

“You saw me, welcomed me with such intensity and longing ... and I was but a ‘Whisper’ the chosen messenger to enlighten you, an expression that has no meaning in our realm or reality.”

“No one who has been chosen need to ‘see’ with the light bulb switched on or when the Sun rises ... The Heart sees everything and more importantly understands the ‘sight’ that emanates from within the Heart ... HIS presence, the One True Light!”

“At 3 am, a New Beginning awaits you. **HE waits** for you and my ‘whisper’ expresses **HIS** thoughts to be shared with the ‘blind’ and the ‘wondering souls’.”

“For the very first time, and through your efforts, is this Truth Revealed, so that the nonsense preached by the so-called ‘Enlighten Gurus’ is banished for good and your people will be free from the mental shackles that has blinded them for so long. We sense your frustrations and pain.... Yes, decades have **PASSED**, **THE STRIVING** with discipline and dedication, and now we command you to share this ‘Truth’.”

“But, you will overcome this pain because, your arrogant people will not accept this Truth, will consider you a charlatan, a false teacher (when you never called yourself a ‘teacher’ but a mere messenger), and will not summon the discipline and dedication to welcome THE NEW at 3 am in the morning You are to share, but to persuade. You suffered no loss. ”

“Many will say... what a crazy habit! Many will, with disgust comment that they are still wide awake at the night-clubs etc. enjoying life!”

“The concept and reality of the **NEW** is beyond their comprehension and intellect... We are already too kind to excuse their rejections as being ignorant. The reality is that **THEY HAVE LOST THEIR PURE CONSCIOUSNESS** on being bestowed with the purest love, when in their Mother’s womb and on birth and in the early years. They were not tainted, soiled with the lies, diversions and arrogance imposed with **HATE BY EVIL Only Consciousness can defeat EVIL.**”

“Count your blessings Do not be angry by this command For thousands of years, this Truth was made known by the prophets yet, the Truth was rejected. Blasphemy went amok Messengers were hounded and mercilessly condemned ... The rejection of the Truth reaches its pinnacle, at times of crisis and when utter contempt for spiritual values reigns.”

“There is also the phenomenon in times of crisis – the longing for the ‘**good times of the past**’ when there were no crises! This is a lie ... crisis was in hibernation and only explodes with all the bloody ugliness whenever **EVIL calculates that it’s time to feed the Blood Lust.**”

I do not know for how long, I would be able to continue sharing Whisper’s insights and messages. And even though I am instructed to share only and not to persuade, the act of sharing is itself a burden. I am only human, and I am flawed.

There is an appointed time for

I leave it to your ‘imagination’, your ‘thoughtfulness’, your endeavours to reclaim ‘Consciousness’ I am tired!
