

Whisper's Profound Revelation - Citing Holy Scriptures

Shared by Matthias Chang

This is the **Fourth (4th) Message** from Whisper to the Global Audience.

I was astounded and lost for words, as Whisper never cited words or quotations from any Holy Scriptures.

I had in past “Sharings” with all of you, revealed the mysteries of the Heart - to “See” with the Heart, to “Listen” to the Heart, and to “Follow” your heart etc. ...!!!

Now be prepared for a bombshell of a special revelation!

Whisper cautioned me to be aware of hypocrites and the political harlots parading themselves as the ‘true defenders’ of Faith..... They are not!

Whisper revealed,

“Matthias, the majority of your people are Muslims. There are Christians, Buddhists, Hindus, Taoists and Believers of other Faiths in your country. The members of these Faiths wear their religion on the lapels of their outer garments but, many of them know not the Truths revealed in their Holy Scriptures. Many pretend to be “heroes” and or “champions” of their Faiths, but they are **essentially hypocrites and pseudo actors trying to get attention.**”

“For the above reasons, this message will draw your attention to certain Truths revealed in their Holy Books. **Don't be shocked at all** ... **read the specific passages in the Holy Scriptures as directed.**”

“Are you aware that ... **‘Heart of the Quran’ is Surah 36: Ya Sin?** Stop your meditation and read this revelation. Then meditate and **search within your Heart**, the meaning of this passage. This passage relates to the Prophet of Islam and his revelations to his people. Should you be really surprised that the Surah is referred to as the **‘Heart of the Quran’**? Yet, we observed that so many have poured scorn on you when you shared the mysteries of the Heart. If the reference to the Heart is nonsense and gibberish, why is a specific Surah in the Quran referred to as **‘The Heart of the Quran’**... now do you understand why I have said so often, be aware of such ‘Harlot Believers’, such ‘Champions of Faith’ and ‘False Teachers’ of their Faiths. They have blasphemed and committed sacrilege!”

“In the Bible, the Heart is considered the ‘Seat of Life and Strength’. There is the symbol of the ‘Sacred Heart’, the wellspring of Love. For sure, the Christians have not read the book of Psalms or the Book of Samuels - Only the Omniscient God knows our hearts – every one of our hearts, ‘for the man looks at outward appearance but the Lord looks at the Heart’. ”

“In the Bhagavad Gita, it is said that God dwells in the Heart ... Krishna sits in the Heart, directing the living being ...”

“Have faith, for what we have shared with you has been revealed in mysterious ways. Only the arrogant and the idiotic unbelievers pour scorn on our messages. Remember, it is your duty to share and not to persuade. And for those who disbelieve, they will burn in Sulphur”.

I am truly blessed by this revelation from Whisper. There is no reason for me to ever question Whisper's messages.
