

# Whisper's 9<sup>th</sup> Meditative Insight For The World – A Miracle

## Shared by Matthias Chang

As all of you know, “Whisper” always came to me in the early hours of the morning (3 am) when I begin my meditation.

**Yesterday, I was burdened with an awful Evil attack, which was preceded by Evil ‘possessing’ someone very close to me, who was a mere tool for Evil to attack me. You do NOT have to believe me. It’s not important to me. Maybe, with humility you will learn something from my experience!**

Never before, have I asked Whisper for help outside of my morning meditation and perambulations in the morning, once at home and once in my office at 5.30am.

But, yesterday was different and I needed Whisper more than ever. And it was in the afternoon. I was so, so tired and agonising with every ounce of my strength to repel Evil!

Whisper said,

**“The Past is long gone, but it will haunt you. Tomorrow has its worries and it’s none of your business but, Today is what matters, and you must be strong.”**

“The attack by Evil is in your sordid world as he would not venture to our Spiritual World to do his dirty work. So, you must seek support and inspiration from those who you trust, as they have pure souls. You have such friends from overseas. There is one in America who has never abandoned you. Meditate and recall who is this friend.”

I was so frustrated and pleaded for a hint or a clue.

Whisper said,

**“Reverse, reverse and think in those terms. It’s a name!”**

My brains went overdrive and names flash past my memory.

OMG!!!! Matthias Chang = MC ..... Reverse! Damn you, Matthias Reverse?

CM..... CM .... reverse ..... Cynthia Mckinny = CM .... the reverse of MC

Whisper in exasperation said,

“What took you so long, **when you write almost every day to her via the Platform “Telegram” on things concerning geopolitics and your sordid and evil world?** Close your eyes and “see” her with your heart and she will come to you.”

OMG! I was in front of my computer and in a flash the video of her speech about the Evil Talmudists in Israel “woke” me up from my exhaustion.

I just type in the words..... “Cynthia McKinny speech on Israel”.

Bingo!!!

Cynthia’s video interview by Press TV on 22 May 2011 came into my view.

A miracle! I am so grateful. The burden lifted from my shoulders and I was back to my normal self ..... Elated!!!

Hence, this early morning I shared with you the video of my dearest and trustworthy friend, Cynthia McKinny with you. Be Inspired! And I said that I will share an article about this soon after.

This is the article!

I am blessed. Thank you, thank you Whisper for being there for me.

Thank you Cynthia for the inspiration!

## End Notes

The first half of theology is theo-, which means god in Greek. The suffix -logy means “the study of,” so theology literally means “**the study of god**,” but we usually expand it to mean the study of religion more broadly.

The first great theologian, however, was **Socrates' student Plato**, who appears also to have been the first to use the term theology. For Plato, theology was the study of eternal realities, the realm of what he called forms, or ideas.

What is the origin of theology?

Although most people tend to think of theology in the context of modern religious traditions, like Judaism or Christianity, the concept actually dates back to ancient Greece. Philosophers like Plato and Aristotle used it in to reference the study of the Olympian gods and the writings of authors like Homer and Hesiod.<sup>3</sup> Jan 2018

It is taught as an academic discipline, typically in universities and seminaries.

Muslims regard Jesus (peace be upon him) as one of the great prophets who brought divine guidance to humanity before Prophet Muhammad (peace be upon him and his family).

His name is mentioned in the Holy Qur’an twenty-five times, often in the form ‘Isa ibn Maryam, meaning “Jesus, son of Mary.” In the Qur’an, he is referred to by the unique title of “Messiah” (*al-masih* in Arabic), meaning “anointed one.” He is regarded as one of many

prophets from the hereditary lineage of Prophet Ibrahim, or Abraham (peace be upon him). Many Muslim traditions view him as an ideal exemplar of spirituality.

**The Amman Message recognized eight legitimate schools of Islamic law and prohibited declarations of apostasy against them.**

- Hanafi (Sunni)
- Maliki (Sunni)
- Shafi'i (Sunni)
- Hanbali (Sunni)
- Ja'fari (Shia)
- Zaidiyyah (Shia)
- Ibadiyah.
- Zahiriyah.

### **Schools of Islamic jurisprudence**

- the Ḥanafī school, founded by Abū Ḥanīfa al-Nu‘mān (8th century CE);
- the Mālīkī school, founded by Mālīk ibn Anas (8th century CE);
- the Shāfi‘ī school, founded by Muḥammad ibn Idrīs al-Shāfi‘ī (8th century CE);
- the Ḥanbalī school, founded by Aḥmad ibn Ḥanbal (8th century CE);

Islam in Malaysia is represented by the **Shafi'i version of Sunni theology** and the practice of any other form of the religion (such as Shia Islam) is heavily restricted by the government.
