

Matthias Chang – Crony of Tun Mahathir, A Fake, A Bastard, A Scumbag And A Fraud But ... No One Dares Accept His Challenges!

By Matthias Chang – Future Fast-Forward

I have been stigmatised and demonised by various obnoxious names but, I can't be bothered at all!

Over the years and in my videos on Youtube and Bitchute, I have offered USD\$100,000.00, US\$300,000.00, US\$500,000.00 and even US\$1 Million to anyone to prove me wrong on the specific issue that I had revealed in my videos but there were no takers.

Zilch!!!

I have always referred and cited sources from the following:

- Global “Right” and “Left” wings;
- Global Conservatives and Liberals;
- Global Government and Non-government publications;
- Global Think Tanks;
- Global Intelligence Apparatus – CIA, MI6, DNI etc.;
- Global Central Banks, Commercial Banks and Financial Institutions etc.;
- Global Renowned Analysts and Experts; and
- Global Network of Friends, whom I had invited to Malaysia to advice.

So, who is the F#@ked Up Matthias that have established sources from A to Z?

Who is the f#@ked up Matthias that when he spoke and wrote in Queen's English, has been f#@ked for being too sophisticated?

Who is the f#@ked up Matthias that when he spoke and wrote bluntly and plainly, has been f#@ked for being crude and direct?

I am so delighted that I could tickle the arses of idiots so easily and had a whale of a time!

I count my blessings.

On A Serious Note

It has been said that TRUTH has to be guarded and surrounded by LIES.

So, how do we get through the lies, propaganda etc., to arrive at the kernel of Truth? How do we peel the several layers of the onion to get to the core?

- Discipline, discipline, discipline;
- Perseverance, perseverance, perseverance;
- Dedication, dedication, dedication;
- Objective research, objective research, objective research;
- Intellectual Honesty, intellectual honesty, intellectual honesty!

Matthias SOP

Learn from everyone (successes and failures), friends and enemies, mores so from enemies!

Sun Tzu wrote in the Art of War:

“If you know the enemy and know yourself, you need not fear the result of a hundred battles. If you know yourself but not the enemy, for every victory gained you will also suffer a defeat. If you know neither the enemy nor yourself, you will succumb in every battle.”

Need I say more?

Betrayal / opportunism are pars for the course in politics and geopolitics.

Why and how did I survived the betrayals, the double dealings, threats and lies when serving as the political secretary to the then prime minister of Malaysia Dato Seri Dr. Mahathir Mohamad (now a Tun)?

I was never a threat to anyone.

Let everyone **under-estimate** you.

Let everyone **over-estimate** their strength, power and reach.

Let not your **ego blind your vision** – bury the ego!

The Moon can **never outshine** the Sun, for the Moon is the **reflected glory** of the Sun.

More than anything else – don't be an arsehole Have absolute **Faith in HIM**, the Almighty and Creator!

Wisdom / Lessons - Gifted By My Teachers

I will, for the purposes of this article, focus on propaganda.

- As truth is guarded and surrounded by lies, **no statement** is ever 100% truthful, if it is not verified;
- As a **margin for error**, and as a **starting point**, accept at face value, that **50% of a statement** can only be truthful, the rest are lies.

- But, Malaysians do not verify and accept as face value 100% as truthful in any statements. That is the elephant in the room! No wonder the colonial masters have such contempt for Malaysia. Bleeding arseholes.
- Do not circulate or viral messages unless they have been verified. Your so-called friends are the worst offenders in this regard. 99.9% of the messages sent out by them have not been verified. Too f#@king lazy of them to verify.
- Read all the “Holy Scriptures” (the Quran, the Bible, the Bhagavad Gita, the Dhammapada and the Torah etc.) and find the common denominators, when searching for the truth. Be aware of those who wear their religion on their lapels! They do not know their Holy Scriptures. They are the “Blind leading the blind”!
- In doubt, double your efforts to verify.

So, who are the real fake news purveyors, the frauds, the cronies, the manipulators, the liars etc.????

So, if anyone calls me a fraud etc., they must have the courage of their conviction to prove me wrong!

They won't, because they have no balls and know that they will be defeated!

I went on a hunger-strike twice, once in the “Kajang Prison” and the second time in the “Sungai Buloh Prison” (on a false charge of being a terrorist under SOSMA) to challenge my enemies, and was acquitted by the Courts!

I fought and I won!
