

# Whisper's 16th Meditative Insight To The World

Shared by Matthias Chang

## Restless night!

Call out to Whisper, but there was no answer. Bloody idiot, it was 1.10 am. What am I thinking?

The delusion of time flashed past me, but the appointed time has yet to come.

The images horrified me!

## Fast forward

I did not realise that I had arrived in my office at 5.10am, even as I had completed my practice at home at the appointed time.

## Recap:

“Matthias, why are you in such a hurry? There is nothing you can do or change **BEFORE** the ‘**Appointed Time**’. By any calculations in your realm, billions of light years have gone by before you were born. You were irrelevant and non-existent in the overall scheme of things.”

“Now, at the present moment in your time, you are a bit player. It is hard to swallow this Truth as it is counter-intuitive to the EGO of the ‘I’ - the false ‘Self’.”

“Only **HE** is relevant and **HIS decisions** are beyond comprehension. So many strut like the peacock with the colourful plume fully extended, because they arrogate to themselves the power that accompanies an office or status. **Yet, they are nothing, but dependent on some earthly fragile power.**”

“The ‘power’ to bully, maim, kill or oppress is not power at all. It is the manifestation of Evil within the ego of that person. These people display outwardly their misperceived strength and authority but when confronted by **DEATH**, even when they are armed with weapons etc. and surrounded by their henchmen and women, **they are impotent.**”

“**Matthias, don't ever use or associate with the stupid and irrelevant word ‘Power’ in your world for there is always a ‘higher power’ that he / she will grovel to stay relevant and useful. Each is subservient to another in the hierarchy of power and authority.**”

“**Is this not your personal experience?** The most powerful political leader in your realm was ‘chosen’ and he / she covenanted to do as told. Have they not lamented, when out of office / status, that they have no more power, are

impotent and in many cases discarded like the old rag. **Confront the EGO and banish that affliction before it metaphase to Evil...**

“**Seek HIS FACE** when you are tempted to be the Peacock and soon, in fact instantly, you will understand that trying to be a Peacock is an exercise in futility.”

“**Shed off the plume and the grandiose garments, and what is left is the naked and flawed self!**”

“**Walk the Path and follow HIS footsteps, are all that is required of you.**”
