

# The Enemy Is Within – Barbarians Inside The Gates!

By Matthias Chang – Future Fast-Forward

**Be Freaking shocked - freaking arsehole Malaysians!**

**Don't you dare talk about corruption, if you don't have the guts to address the below issue. Anything else is a diversion from the real and actual target of corruption. Period!**

**All politicians throughout the world are the first target for recruitment by the Global Intelligence Apparatus to betray and subvert the country and be a slave to Foreign Powers and their Intelligence Services. The Mossad leads in this field!**

**It has happened and is still happening in USA from the very beginning. So, if US Uncle Sam and the British bulldogs are up to their eyeballs of betrayals, is Malaysia exempted and so “Holy than Thou”?**

**You must be joking and naïve!**

Of course, there are exceptions, if the politicians expose this filthy treason and dirt to you. If they do not expose this treasonous conduct, and remain silent, the politicians have **by their silence betrayed** their country. **The betrayal takes many forms – oath of allegiance (open and secret and most heinous to a foreign power) for personal power, monetary benefits under various guises / excuses, blackmail, sex and paedophilia.**

I dare any reader of this article to challenge me and my evidence that what I have discloses is BS. Otherwise, be humble and loyal to our Country, our Constitution and our King as provided and demanded under our Supreme Law!

## **Lets begin With Some Truths**

For reason of security and since I did not get her express permission to disclose her name (for want of time), I demand that you do as follows:

**Search Youtube for the video recording of a US Congresswoman (whom I have the highest respect and admiration) and who was invited to Malaysia to advice our then Prime Minister, Tun Mahathir Mohamad and she also spoke to the delegates at an International Conference held in Kuala Lumpur.**

I will now give enough clues: As a member of the Democratic Party, she served six terms in the United States House of Representatives. She was the first African American woman elected to represent Georgia in the House. She gave a video interview in May 22, 2011 on the topic:

## **“US Lawmakers Forced To Support Israel”**

*Former US lawmaker ..... says every candidate for Congress has to sign a pledge to support Israel. "Every candidate for Congress at that time had a pledge. They were given a pledge to sign ... that had Jerusalem as the capital city," she said in an interview on May 22, 2011 ..... "You make a commitment that you would vote to support the military superiority of Israel that the economic assistant that Israel wants that you would vote to provide that," she added. If a candidate does not sign the pledge or perform accordingly, "then you do not get money to run your campaign." The former Congresswoman said that after she made the pledge issue public the tactic changed."*

*"But this is what is done for 535 members of the United States Congress, 100 senators and 435 members of the House of Representatives HAVE NOW TO WRITE a paragraph which basically says the same thing..." Her comments came as US President Barack Obama vowed to sustain Israel's military superiority over its neighbours at the American Israel Public Affairs Committee's (AIPAC) annual gathering on Sunday. "We (the US) will maintain Israel's qualitative military edge"... "We have increased military financing to record levels," Obama said.*

Watch the video **now** before reading further. In any event, search Youtube and watch the video. Is Matthias Chang exposing BS, fake news or junk??? Dare you to expose this treason?

### **Other US Sources & Intel**

In a previous article, I had disclosed their names. I am citing them once again as they have revealed the treason in their books. One of them was invited to Malaysia and advised the then Prime Minister, Tun Mahathir Mohamad and also spoke to Malaysians at conferences held in Kuala Lumpur before his untimely death.

Firstly: **the late Michael Collin Piper**, a very dear and close friend and a true American patriot whose books is too long to be enumerated here.

Secondly: **the late Col (Retd) Donn de Grand-Pre**, a colleague and confidant of Mike and a true American patriot, who exposed the treason in three books (duly autographed and kept in pristine condition in my library) and a Pentagon insider:

- ***Barbarians Inside the Gates Vol 1 The Serpent's Sting***
- ***Barbarians Inside the Gates Vol 2 The Viper's Venom***
- ***Barbarians Inside the Gates Vol 3 The Rattler's Revenge***

Knowing that Malaysians' attention span is a few minutes at the most, I will not disclose each and every detail and spoon feed you.

I am provoking and encouraging you to get off the arm-chair, stop your BS in the coffee shops, fanciful restaurants and do something to save the country from traitors, because the entities that are involved in National Security are up to their eyeballs and they need all the help that you can give!

Do your duty as patriotic Malaysians and not get brainwashed and or diverted by non-issues spewed by opportunistic politicians for self-glory and competing to rise up the pecking order in the corrupt "power food chain".

Power Addiction Corruption is the most heinous of all corruption. Period!

Wake up!

Enough is enough!

Surely, you cannot be that naïve!
