

# Whisper's 19<sup>th</sup> Meditative Insights To The World

Shared by Matthias Chang

**My mind was in turmoil. I just could not wrap my head around the instructions that I had received from Whisper.**

**It is so profound and down to earth and after overcoming my initial hesitation and stupidity, I realised that what I was instructed to share would be transformative.**

**Please don't believe every word in this message. Don't!**

But, if you care for your family, your relatives and your country you are required to meditate, ponder with a clear mind and discussed with anyone this message, regardless whether they agree or disagree.

This I can guarantee. Those who accept the message will be transformed.

Whisper asked me to close my eyes, be still and listen to my Heart.

Whisper assured me that my Heart will see the transformation needed to save my family and my country.

Whisper then said,

***“Matthias, after you have listened to your Heart and your Heart saw the transformation that your family members and country will experience, write the transformative message down without any explanations and share what you have written.”***

***“Write in simple language so as to avoid any misunderstanding or confusion, and in short sentence, not in paragraphs.”***

***“Do it as soon as you reach your office this morning after the perambulation and not before.”***

As I perambulate in my office, the message became clearer and I knew that to do what I am instructed, the simplest way was to use the form of “Bullet Points” to communicate. Here goes:

- **Turn to Almighty God, HIS absolute Truths.**
- **Fill the Well of Goodness with Faith, Purity and Spirituality.**
- **People** are living as zombies, **empty** and in **hopelessness**.
- **Change** the outlook by changing **the** environment.
- **Spend** more time with HIM and in total devotion, **not money**.
- **World** was **already created** in “seven days”.
- Don't be **slaves** to any “Masters”.

- There is only “**One Master**” and **HE is the Master**.
- **Work** only on **Four** days, **Rest** on **Three** days.
- **Three days of devotional attention to HIM and your Children.**
- The **Innocents** and the **Purity of the Mother** are the **priorities** in our world.
- Do this and everything will be resolved and **Happiness** will reign.
- **Worry not**, your enemies will not dare **oppose this message**
- **Earthly Power** will tremble, **Evil** will retreat.
- **Peace of Heart, Peace of Soul and Peace of Mind.**

The above are the Bullet Points that I can recall and communicate.

What struck me was that we need,

**Three days of Devotional Attention to HIM and our Children. Earthly power will tremble and Evil will retreat. Peace will reign supreme!**

**THIS IS A NUMEROLOGICAL MESSAGE!**

**Please help me to help fulfil this Spiritual Command for our families and country.**

**The message can be implemented if we have the will and faith. No government would dare oppose this message for if they do, they would suffer retribution beyond imagination.**
