

From The Bowels Of The Democratic Party: Biden Ordered The Assassination Of Trump

By Matthias Chang - Future Fast-Forward

The Whistle is Blowing in the Wind. We can hear it even in Malaysia

Yes, and how many times must a man look up
Before he can see the sky?
And how many ears must one man have
Before he can hear people cry?
Yes, and how many deaths will it take 'til he knows
That too many people have died?
The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

Bob Dylan

Only idiots and numbskulls will dismiss the **exposé by a Whistle** blowing in the wind and revealed in this PDF article.

Do it, as I have no time or be bothered to convince you.

Read, think and think and be useful for once. The Whistle **blew** in the wind
You cannot be so damn stupid!

The Scenario

At a meeting paraphrasing the conversation.

Attendees: ... the **Motherf#@ker survived** and **became stronger** even after the **most intensive Law-Fare** ever unleashed against a political opponent. You are a f#@king wimp in comparison. Stop skirting around with statements about Trump being an existential threat to America. No one understands the **urgency of your political crab!** You **must give an Order** to have a winning chance or else

Biden: Or else what???

Attendees: We go to alternative Plan B and even C. Whatever outcome, we can gauge the response and move ahead. Even a dickhead can understand the obvious implications of the Madman Theory. Your drug induced scam of dementia did not work. **You are not mad enough to do the unthinkable. Is that so difficult to comprehend?**

Biden: What the F#@ do you want me to do?

Attendees: Issue **the Order**, as simple as that!

Biden: I will be blamed and even prosecuted. **Are you people mad?**

Attendees: You will never be blamed because you supposed to have alzheimers, dementia and even Hur **refused to prosecute** you on those grounds. Ironclad defence and we will together with the party, ensure that the obedient chorus of the media stay in line. The **Order**, while direct, **is ambiguous enough** to argue that it could mean for example, **to focus and concentrate on demonising Trump** It would be **unthinkable** for anyone to assume that a President of the US will **issue such an Order** couched in words that are open to all sorts of interpretations.

Even Zelensky was tested and he had a **“Kill List”** and there was no global outcry against the idiotic comedian. **Obama had a “Kill List”**. No objections!

What more the President of USA killing a political opponent, even to save America! **Unthinkable!**

Biden: When?

Attendees: By yesterday ...

Before the rally in Pennsylvania – everything in place and planned for, save an Order from you to proceed. Do you or don't you want to continue as President? If not, we have no choice to get an alternative, **but not Kamala**. But you must be seen to stand by her and vice versa. We will do our part to orchestrate the drama. Once Trump is eliminated, **no one can object to the imposition of martial law, there is no need for any election**, for the nation, is at risk **because of domestic terrorism** and will be destabilised. **You will still be the president until such time as martial law is lifted.** We **game-planned already in Ukraine and it has been tested**. No fall-outs! Our comedian is still the President and has been addressed and accepted as such. It is a no-brainer! **They have** given us just 48 hours to implement the Plan. You have to do it **or else..... !**

Biden: Give me the order and I will read and study it and then give the Order orally in the appropriate part of my interview on the 8th

BINGO!!!
On 8th July 2024, Biden ordered that
“It's time to put trump in the Bullseye!”

The assassination have been thoroughly thought-out and because the people are so brainwashed that it is **UNTHINKABLE** for a President to issue such an order, and when the entire Intel Apparatus in USA has agreed in concert with Homeland Security and the Military.

Recent Historical Precedents

Past Presidents

Teddy Roosevelt
JF Kennedy
Ronald Reagan

Past Wars

9/11
War in Afghanistan
War In Iraq
War in Syria
War I Libya

... were all planned by the Intelligence Agencies and the Military, and implemented with either the explicit or tacit approval of the President, Vice-President in concert of the Head of National Security and Head of the State Department.

The United States is not a democracy but a country governed by the Deep State and the Military-Industrial-Financial Complex. Period!

AND IT IS MOST UNFORTUNATE THAT THE REPUBLICAN PARTY, PRESIDENT TRUMP AND HIS SUPPORTERS CANNOT EVER MAKE THIS EXPOSÉ, UNTIL AFTER 50 YEARS, AND EVEN THEN THERE IS NO GUARANTEE THAT THE WHOLE TRIUTH WILL COME OUT.

TILL TODAY, EVEN TRUMP WHO PROMISED TO REVEAL THE TRUTH WHEN HE WAS THE PRESIDENT, DECLINED TO EXPOSE THE JFK MURDER .
