

Malaysians Are So Brainwashed. Global Geopolitical Seismic Event On Or Before December 2024. Guaranteed!

By Matthias Chang – Future Fast-Forward

No one dare issue a guarantee. Matthias Chang is issuing the guarantee.

Malaysians have been warned for over two years but no one give a damn, even the entire Intel Community. I am not assigning blame, but they may have their reasons. Pray that they will move, when the trigger event happens.

Read five times the Bullet Points below:

- **Any wars would have guaranteed a sure win for Biden as a “War President” if a victory was declared before the election. Biden could not be declared a “War President”. Why? No victory was declared!**
- **War in Ukraine was a big defeat! Russia Won. Ouch!**
- **So, another war in Palestine could ensure victory. Israel and Israeli military is just too powerful but were defeated in Gaza by Hamas. The Deep State could not accept how they could not win. Ouch! Forget MSM BS. Yes, there was genocide but Israel lost!**
- **Hezbollah winning in Northern “Israel”. Bibi threatened to invade Lebanon. Not happening. No victory! Hezbollah still raining missiles at “Israel”. The entire Northern Israel evacuated. Israel’s economy is toast. Over 45,000 businesses closed down. Ouch!**
- **China, with Russia and Iran are ready for a war in the Pacific theatre. After two defeats, when the Zionist Anglo-American Empire was so confident of winning, the Pivot to Asia will be a military suicide poker game. Ouch!**
- **The last card – the assassination of Trump. Failed. A massive failure. If Trump was murdered, a civil war would ensue, Biden would declare martial law, Presidential Election would be cancelled because of “domestic terrorism”. Biden still President of USA, the Deep State continues to be in absolute control.**
- **Another attempt will be made to prevent Trump from winning.**

The unthinkable was unleashed – the murder of Trump was sanctioned by Biden and the entire leadership of the Democratic Party. Massive failure! Ouch! Big Money placed all their bets on the dastardly murder of Trump.

The Coup Plotters CANNOT and WILL NOT concede that Trump can be the President.

The Zionist Anglo-America Empire cannot accept such a situation.

The criminal bastards are not mad. They have game-planned for all scenarios, but this extent of defeats was beyond comprehension.

The desperate logic – “if and when we cannot have the cake, no one can have the cake”.

The **SAMSON OPTION** will be triggered – **IF AND WHEN WE GO DOWN, ALL MUST GO DOWN WITH THE EMPIRE.**

We will be at the bottom

I guarantee on or before December 2024, the Samson Option would be triggered. The world will go over the precipice and plunge to the bottom.

- **No more cover ups. Total collapse of the global economy cannot be hidden anymore.**
- **Trump (if murder fails again) will issue a statement that Biden etc. have caused such havoc, that nothing can be done to save the Empire. Trump will lead a prayer meeting at the White House for redemption, choking in tears.**
- **The US\$ is toast!**
- **NATO will attack Russia from Finland in the North to Ukraine, Poland etc. in the South. Europe will be on fire.**
- **As in WWII, the US military will launch a war in the Pacific, with the bulk of their aging naval resources deployed.**
- **Malaysia, with Singapore as the “Island Aircraft Carrier” will be the staging ground for the US military to seize control of the South China Seas.**
- **Malaysia will be too weak to resist as we are so fractured and divided.**

Save this article as evidence against and or for me.

It may be too horrible for you to imagine that it will happen, as warned by Matthias? Wait till it happens on or before December 2024!
