

Uniparty & Deep State's Assassination Message: Unleash World III Or We Will Depose Anyone Opposing War! By Matthias Chang – Future Fast-Forward

Irrefutable Intel

The “Powers That Be” that decide who will be the President or a leader of any country have issued a clear warning - **deliver a War (WWIII) and we will select You. Oppose war, we will finish you!**

Refer to my previous article uploaded to my website, “The Madman Theory” at www.futurefastforward.com

The Democratic Party was willing to unleash WWIII to distract the entire USA and Europe from the inevitable collapse of the Western Financial System and the massive dumping of US Dollar as **the** consequence.

The **behaviour of Biden was staged managed** to convince Russia, China, Iran and the Global South not to oppose The Zionist Anglo-American Empire or be wiped out.

Biden is unstable and his finger is on the **Red Button!**

Biden's Dementia and or Alzheimer's disease was a drug induced **SCAM – GUARANTEED**

Doctor and medical team assigned to the President at the White House have **not issued** any **medical report** till today that Biden is **mentally impaired for whatever reasons. Zilch!**

Common sense!

If it was the case that Biden is mentally impaired for whatever reasons (and when this article goes viral and a false report is issued, it would be too late) then by law, the 25th Amendment to the US Constitution must be invoked to remove the president. No ifs or buts!!!

The Democratic Party leaders cannot invoke this provision as the entire leadership will have to own and concede that they lost the War in Ukraine which they provoked and managed. No way!

The buck must stop with Biden, being the President and he must be the patsy! He cannot be prosecuted for any crimes if he is deemed demented etc. Special Counsel Hur raised the trial balloon when he said Biden cannot be prosecuted, but his decision was not supported by medical evidence. No one invoked the 25th amendment to the US Constitution. (1)

Why???

There is President Trump who is the candidate in the Presidential election.

And VP Kamala Harris cannot be the President, as was the case of President Ford who succeeded first as VP after Agnew resigned and President after Nixon resigned.

Kamala was a convenient stooge who throughout her political history f#@ked her way to power! If there are any freaking arseholes who dare dispute this fact, I challenge you to a debate. Otherwise shut the f#@k up! She is a bitch!

Only One way To Win The Presidential Election

For over a year, the Democratic Party and the entire Left Scumbags openly and **without any objections** at all from the Democratic Party leaders called for the assassination of Trump, and to be precise - **Trump must be shot!**

One Million US\$ to anyone in the world to prove me wrong that such calls to murder Trump were never made. It was broadcasted even on Youtube videos. You will lose to me, arseholes!!!

On July 8th, 2024, President Biden even declared “It’s time to put Trump in the Bullseye...”

So, if Trump dies, in any event Biden or even a monkey selected by the Democratic Party will win the election. This is a given! A false flag operation will be unleashed - an attack on USA will be activated and no American would dare oppose any war in the so-called defence of the USA. **No one in USA!**

The Pearl Harbour Excuse.

- The **first**, by the Japanese on Pearl Harbour that gave the excuse for US to enter WWII;
- The **second**, was 9/11 to unleash the Global War on Terror (GWOT); and
- The **third**, the assassination of Trump to unleash the kinetic WWII - the enlargement of the proxy war which was started in 2014 in Ukraine.

The rational for this devious behaviour is that no **“War President”** ever lost a Presidential Election.

So, if Trump was assassinated, Biden would win hands down. Biden was given a 48 hours dateline – get rid of Trump by whatever means and you can continue as President..... or else!

If Trump is not murdered or got rid-off then Biden must give way to a substitute before the Democratic Party Convention is convened in August, 2024.

The **failure to murder** Trump has created massive confusion and panic - all bets are off - as if and when the Democratic Party leaders and Intel Chiefs were to cheat and manipulate the votes, the American people will not accept the outcome at all and the world must be prepared that:

- **Chuck Shumer;**
- **Nancy Pelosi**
- **FBI Chief, Christopher Wray**
- **DNI Chief, Avril Haines**
- **CIA Chief, William Burns**
- **Donors to Democratic Party will be hounded down, if they have not escape overseas.**

will be lynched, if not prosecuted for crimes etc.

End Notes

(1) 25th Amendment - Section 4

Whenever the Vice President and a majority of either the principal officers of the executive departments or of such other body as Congress may by law provide, transmit to the President pro tempore of the Senate and the Speaker of the House of Representatives their written declaration that the President is unable to discharge the powers and duties of his office, the Vice President shall immediately assume the powers and duties of the office as Acting President.

Thereafter, when the President transmits to the President pro tempore of the Senate and the Speaker of the House of Representatives his written declaration that no inability exists, he shall resume the powers and duties of his office unless the Vice President and a majority of either the principal officers of the executive department or of such other body as Congress may by law provide, transmit within four days to the President pro tempore of the Senate and the Speaker of the House of Representatives their written declaration that the President is unable to discharge the powers and duties of his office. Thereupon Congress shall decide the issue, assembling within forty-eight hours for that purpose if not in session. If the Congress, within twenty-one days after receipt of the latter written declaration, or, if Congress is not in session, within twenty-one days after Congress is required to assemble, determines by two-thirds vote of both Houses that the President is unable to discharge the powers and duties of his office, the Vice President shall continue to discharge the same as Acting President; otherwise, the President shall resume the powers and duties of his office.

The Twenty-fifth Amendment has been invoked (used) six times since it was added to the Constitution. Section 1 has been used once; Section 2 has been used twice; and Section

3 has been used three times. Only Section 4 has never been used, though it was considered twice.
