

# Whisper's 25<sup>th</sup> Meditative Insight To The World

Shared by Matthias Chang

***“For you only ... I am always with you. You are never alone.”***

**Never in my life have I ever felt so small and humble, and even as I am so screwed up and flawed (a freaking arsehole, if I may use the expression), I was “trusted” enough to be a simple “meditative messenger.”**

Whisper came in a shimmering glow and said,

“Matthias, you saw and you were amazed. But, what you saw, you cannot share with anyone. Only you were given the vision! However, you are allowed to use the analogy of the Mirror to ‘teach’ your people ‘how to see’. The Mirror can be so deceptive and misleading and everyday it reinforces the deception of the useless EGO.”

“Ask them .... ‘What do you see in the mirror?’ They will reply without any hesitation that they saw their image reflected in the mirror. Ask them again and again and the answer will be the same. Hence, the deception at the start of the new day, on the **WRONG** footing and the **EGO** takes flight into the realm of imagination.”

“Now, ‘teach’ them how to look into the mirror. Each of you are the image of the ‘perfect creation’ but it is not in the **egoistic face** and yet, so many put on ‘war paints’ to enhance what is already ‘perfect’. They see with their eyes, **not with their HEARTS** which you have **so often implored** that they must see with their hearts. Their **insecurity** stems from their **dissatisfaction of the reflected image. What an idiotic way to start a new day!**”

“**When they see with their Hearts**, they see not the egoistic face but the **beauty and splendour of the heart**, the **haven** and **abode** for **HIM** to reside. But, people rather see their face and **not the joy of the invitation to HIM** to be **home with them**. So, how can anyone be alone when **HE is always at home with them, if and when invited?**”

“However, they cannot expect to see HIM without an effort. So, they must ‘SEE’ beyond the reflection – **what is hidden behind** the egoistic self. Their state of mind will be a determining factor. We will make it easy for them to go forward. Let **LOVE** be the compass and guide. They can ‘see’ that the person they have loved so much (their Mother, Father, Wife, Children, the partner which they have chosen to share their life etc.) **behind** the reflection. **Focus on that love and happiness**. See only the **goodness** and the **blessing** of that **love**. The reflection of the **deceptive ego will dissolve** and the **glow of love creates a Halo of HIS Divine Love** reflected in the blessing **embedded in the loving image.**”

“The egoistic self **must be destroyed** and it requires discipline and time. And patience! Whether they succeed or fail, it is in their hands and choice - so, I will give further guidance to your people.”

“Close the eyes and recite the Heart Mantra that they will ‘see’ with their HEARTS and in PEACE:

**Thank you for blessing me with the Peace of Heart,  
The Peace of Soul, the Peace of Mind,  
The Peace of Hope  
that My Heart can see.  
I am never alone,  
For HE is always with me.**

“I have said enough. Do not be disappointed for few will appreciate the **GIFT** and will consider your sharing as nonsense. Hence, you are to convey and not to convince and or persuade. **Only Faith** will transform their ignorance because it is only Faith that they will, **with their own experience**, accept this message conveyed **by our choice** and to be given by you, **a flawed messenger**. **There is no reason for us to transmit this message in any other way, as throughout the millennia, holy prophets have been rejected, mocked and disbelieved.**”

“This is a punishment. They must learn **HARD WAY**. You are **forbidden** to share what we have given you. We have, because you have sought our indulgence, agreed to teach the method as outlined in this message. We sense your frustrations and disappointments. But, why should you? **It is a simple choice - reject the daily repetition of admiring the deceptive ego or seek the new path.**”

**“This is a reminder. You cannot, other than this message, share what has been given only to you this morning!”**

I have nothing to add.
