

Americans Wake Up – Puppets Cannot Be The “Controllers” But Mere Tools For Coups Etc.

By Matthias Chang – Future Fast-Forward

Preamble

I am not going to expose the names of the website and the people involved for unwittingly promoting the erroneous “line” that a small band of bureaucrats controls the US Deep State, because they have shown the courage to expose the fraud but, arrive at a wrong conclusion.

The Essence

Puppets, no matter how powerful and influential **CAN NEVER** be the controllers, the leaders, the cabal, the “men / women” behind the curtains. I don’t give shits what organisation (s) etc. they belong to etc.

They are mere TOOLS and even patsies, but more importantly are the diversions and distractions from the REAL CONTROLLERS.

It has always been the POWERFUL and RICH families that wields the levers and issue ALL instructions and orders for the tools to OBEY. Period!

OBEDIENCE is the DNA of the organisational structure.

The Template

Those who are attracted **TO SERVE** the Families throughout the ages do so because they are **ADDICTED** to power and power is a **derivative of money**, more precisely the **“MONEY GOD”**.

Once you have grasped this essence you will understand how actual / real political power is INFLECTED on the people via the several organs of the government of any country. No exceptions!

Every word and expression used in this discussion is deliberately chosen and not selected at random or convenience. So, read carefully and think through the implications and consequences of each word.

The term family is not to be understood in the usual terminology and or usage. The fundamental difference is **BLOODLINE** literally and metaphorically, the latter being the “acceptance” into the family by **BLOOD OATHS etc.** – hence the term, “blood brothers” etc.

I have no time or the inclination to entertain silly questions that the above exposé is not reflective of reality. Hence, 99.9 % of the population are the ‘deplorables’ to be used as means to an end! Within the corridors of power, the politicians have utter contempt for the people but behave otherwise in public. But, these political arseholes

forget that they are held equally in contempt by their Masters once their usefulness has expired.

The Myths

All Presidents, Prime Ministers, Heads of Intelligence Apparatus, Military, Financial Institutions, National Security Agencies (no matter how powerful as perceived) are mere tools to serve the needs and objectives of the Families. Period!

Illustrations: Say, if you want to be a politician (President, Prime Minister etc.). You can be one provided you have been accepted and agreed to the terms of the recruitment. Even if you do not have all the requisite qualifications, the same can be orchestrated in order that you are perceived as “qualified”. That is the least of the problem. It is what you can bring or deliver to the **“TABLE”** that matters.

If you are “scouted” and or “selected” and having been on their short list, “doors” will be opened to ease your way for the role which you have to play. That is the easy part. You must be very exceptional (and there are a few) to turn down an offer which fulfil all your desires and more.

And everyone has a role to play in the scheme of things. **They know all your weaknesses and strengths.** This is a given!

Freaking arseholes ask, “Who will be the next Prime Minister, we have no candidates to speak off?” Then someone emerges which you never expect and is installed. The people readily accept the nominee so installed without a murmur. And cloaked with the “aura” and “stature” of the office, their focus is shifted. So simple!

Just study the background of Carter, Reagan, Clinton, Obama, Trump and now Kamala they were never in the reckoning until they were thrust and projected to the forefront, as the nominee for higher office and the entire scripted narrative / propaganda is unleashed.

So, can the following numbskulls - the Inspector-General of CIA, the Head of FBI, the current Attorney-General etc. be the puppet masters, as alleged and accepted as such (constituting a Secret Council that controls USA) when a former Naval Officer gave an interview in a famous US website? Give me a break!

No one ever mentions the Families that CONTROL the puppets / tools!

What have I left out deliberately in the discussion?

If you do not understand this issue, then you have not bothered to think and research history of “governments”.

A sucker is born every day!
