

# Whisper's 31<sup>st</sup> Meditative Insight To The World

Shared by Matthias Chang

The Insight I am sharing today with you is a special key that will unlock the door to another world – HIS world. Don't believe Matthias, follow your heart and discover this absolute Truth. Ask with humility, whether the messages that Matthias have shared, were known and contemplated in depth by you before you read my messages. Not possible!

**We are ignorant!**

**Be still and Learn!**

Whisper stared intensely, as if deciding whether to reveal something to me. I pleaded, "Teach me, you are my one and only source!"

Whisper relented and said with a sigh,

"Matthias, it takes so much humility and courage to admit '**you are so ignorant and flawed**' and '**willing to fill the space of the emptiness of ignorance.**' "

"Let the words ... 'we are ignorant .... be still and learn' vibrate at a constant beat to remind you, that the starting point of knowledge is to accept without any qualifications, you are ignorant and that **all knowledge is within, in your heart where HE resides, cleansed to be HIS temple, HIS abode and when you have received, to verify whenever possible!**"

"There are more stars of knowledge than the sands of the earth, but it is enough for you to know before crossing over, to **hold some stars in the palm** of your hands, to light your path."

"Call the knowledge whatever and however you want to define it – insights, intuitions, confirmations, enlightenment, fulfilments etc. but **in essence it is the Absolute Truths.**"

"Not all Truths are verifiable, because you lack the tools to verify that truth. Some are verifiable, because others on similar paths have said and or written about their 'discovery'. Note the word, 'discover' .... It means that they were not the creator, but merely stumbled on the truth. However, arrogance hoodwinked them to assert that they created that truth and so often, the knowledge or discovery is even named after them."

"It is mere common sense, that only some Truths are verifiable. The rest are unverifiable, until such time as allowed by HIM to be verified, since it is even accepted by your so-called scientists that there are more stars in the cosmos than the sands on earth. But arrogance runs amok and fuelled by steroids, impresses the masses."

“Each individual is unique and the knowledge transmitted is unique and relevant to the experience gained. Some shared with humility but there are so many who shared for fame and recognition, to be bestowed with titles and awards and inevitably promoted as ‘experts’. This is one of the reasons for the ignorance and emptiness of the masses.”

“Matthias, not every message that we have granted to you can be verified, but you accepted them on your **FAITH** in **HIM**.”

“This is the saving GRACE and the GIFT, as no one can verify that ‘I’ (whom you named ‘Whisper’) exists in their world? They cannot unless they have the discipline and faith to meditate and humbly seek answers to the questions posed by them.”

“Yet, they read the writings of those having blessed with knowledge, transmitted their knowledge without reservations, but, sadly the masses have not applied what they have read.”

“Yet the masses hurled condemnations, the ridicules, the slanders, the demonization and doing so out of ignorance and arrogance, and the cliché - ‘stupid is as stupid does’ is an apt description.”

**“I part with this reminder. When in a state of ignorance and seeking for answers:**

**“BE STILL, BE QUIET! FOCUS WITHIN WHERE HE RESIDES and HUMBLY SEEKS HIS GUIDEDANCE.”**
