

Whisper's 34th Meditative Insight To The World

Shared by Matthias Chang

The Sun and the Moon – The Solar Eclipse

A principle of survival has, in my subconscious mind, guided all my words, thoughts and actions – the **“Moon can never outshine the Sun”** and this morning, Whisper reminded and reiterated to me this principle, but with a twist.

Whisper said,

“Matthias, we had our reservations, when you plunged head-on into the realm of politics but our fears were unfounded, as you had by your sub-conscious mind put into practice the principle – **‘Never endeavour to out shine the Sun’ and never be a threat to anyone.**”

“But, we also protected you without your knowledge, by guiding those intoxicated with power that you are never a threat to their survival and that **even a Sun needs a Moon to ‘light up the night sky’ and ‘to dance to the music of the Stars.’** Therefore, the respective orbits are complementary as was the purpose for their creation.”

“Your people experienced the **‘Solar Eclipse’** but till today, except for the enlightened and chosen, never truly understood and or appreciated the spiritual / esoteric implications of the Solar Eclipse. **It is a reminder by the Moon that the majestic rays of the Sun can be ‘eclipsed’ and hidden from view.**”

This was the “Twist” I had alluded to above.

Whisper continued,

“In **HIS** realm, arrogance and conceit are banished and every creation has a purpose and it is beyond their control and they exist at **HIS** pleasure!”

“Recall the numerous times when your enemies embarked on a campaign to malign and or demonise you but, to no avail. You were content to be the Moon, and your actions were always **‘Help me, to Help you’** a subtle message of **Complementary Existence** to the Powers that Be.”

“But, unfortunately your actions have always been misinterpreted as ‘weakness’ and taken advantage but you care not, even as they plagiarise your ideas etc. and in doing so, they have utterly demonstrated their ignorance and exposed as charlatans! You moved on!”

“In your world of arrogance and conceit, **we have also protected you** and there is an apt cliché – **‘throwing pearls to swine’** such that your enemies

failed utterly whenever they pretended to be the Sun and ended in the **Black-hole!**"

"Matthias, we need to remind you that you must remain humble and never seek revenge for the hurt and pain inflicted on you and your family. **We have clothed and surrounded you with HIS unbreakable Mirror.** Hence, every despicable word or act hurled at you ended as a '**reflection and deflected**' on to your enemies, for they were looking at themselves in the Spiritual Mirror, when they were hurling abuse and curses."

"Focus on the journey, look forward and wait for the time when **HE** has decided to allow you to **cross over** and embark on a **new journey.**"

In a solitary moment of stillness, I looked up to Whisper and gave thanks.

I am indeed blessed.
