

President Donald Trump & The Goodness Of God

By Matthias Chang – Future Fast-Forward

Everything Happens For A Reason

This article must be read in its entirety and in the context as written from the beginning to the end. You cannot pick a word, a sentence, a paragraph and or quote out of context.

Query: how did Matthias, by his messages, statements and articles knew and proclaimed that Donald Trump would win the election with a huge majority as far back as 2022, even though Donald Trump was criticised as being flawed and crude in his language?

Query: why did charlatans and hangers-on, jumped on the wagon and claimed that President Trump would win on the day of the election (or just a few days before) when it is so clear then, that the filthy criminal bitch Kamala Harris (publicly known for using sex to seduce men to climb up the political ladder) did not even bother to campaign in the last week of the campaign and engaged in word salads to lie, misleads and confuse the ignorant etc.?

Query: why did Matthias uploaded two music videos (“Goodness of God”) and (“Come Jesus Come”) **before** the presidential election, and sought from his Muslim friends for assistance to determine the authenticity of a quotation from the Prophet Muhammad (PBUH) as stated by the great scholar, al Bukhari in Sahih al Bukhari 3443?

"Both in this world and in the Hereafter, **I am the nearest** of all the people **to Jesus, the son of Mary.** The **prophets are paternal brothers**; their mothers are different, but **their religion is one.**"

Be humble and read the underlined words in **RED** and in **BOLD** over and over again and meditate and seek guidance for the Truth and Understanding from God.

Then, meditate on the following words

I love You, Lord
For Your mercy never fails me
All my days, I've been held in Your hands
From the moment that I wake up
Until I lay my head

Oh, I will sing of the goodness of God
'Cause all my life You have been faithful
And all my life You have been so, so good
With every breath that I am able
Oh, I will sing of the goodness of God

I love Your voice
You have led me through the fire
In darkest night You are close like no other
I've known You as a Father
I've known You as a Friend

AND

Sometimes I fall to my knees and pray
Come Jesus come, let today be the day
Sometimes I feel like I'm gonna break
But I'm holding on to a hope that won't fade

Come Jesus come
We've been waiting so long
For the day You return to heal every hurt
And right every wrong
We need You right now
Come and turn this around
Deep down I know this world isn't home

Come Jesus come
Come Jesus come
There'll be no wars and there'll be no chains
When Jesus comes, let today be the day
He'll come for the weak and the strong just the same
And all will believe in the power of His name

In the conclusion of my article, "Extreme Religious Provocations as Warned by Matthias Chang" I wrote:

There is Goodness in God and Faith Sustains Us

If tears of blood do not well in your eyes on reading the above words, and be reminded of the senseless murder and slaughter of Muslims and the Innocents in Gaza, in Syria, in Libya and elsewhere, and that God would come as we have waited for so long, that today will be the day, may I suggest that you asked, "**Why Am I so heartless and detached?**"

Also asked again and again:

- Donald Trump was criticised as being flawed, so what?
- Donald Trump was so blunt and direct in what he says, so what?
- Donald Trump was demonised, so what?
- Donald Trump was so hated by the deranged he was almost murdered twice, so what?
- Donald Trump was subjected to law-fare, persecuted and prosecuted on false charges, so what?

- Donald Trump was hunted down as an “indicted criminal” and falsely convicted, so what?
- Donald Trump was subjected to the demonic libels by the global mass media, so what?
- Donald Trump survived, never gave up, took all the criminal onslaughts and never retaliated, and persevered – so how dare you utter words of condemnation, when you have not experienced a fraction of Donald Trump’s persecution?

At long last, Donald Trump triumphed and did not lose faith. He warned all of his people, America have lost its Faith in God. There is no longer any faith in their religion, even as “Christianity” is the religion of the USA!

In an interview after the attempts to assassinate failed, he said that God protected him because the sniper would not have missed from the distance where the sniper was located, and he turned his head (less than a centimetre) as ordained by God to do so and was saved. But Donald Trump was prepared make the ultimate sacrifice.

Speak not and write less if you wish to go **the way of EVIL**. Maybe the following words will wake you up:

**Your goodness is running after, it's running after me
Your goodness is running after, it's running after me
With my life laid down, I surrendered now
I give You everything, oh Lord**

It does not bother me at all, whether you believe or not in this miraculous intervention.

**The time is right now, there's no need to wait,
Your past will be washed by the rivers of grace!**
