

The Triangulation Of Geopolitical Power And Stranglehold On Domestic Power In USA Is Completed.

President Trump's Brilliant Strategy To Bury The Democratic Party's Control of the Deep State By Matthias Chang – Future Fast-Forward

By this article, I am giving a **final warning to Malaysians** (intellectual masturbators within NGOs and gutless opportunists) to stop misleading and confusing Malaysians!

Just ask one simple question,

“Why are they subservient arse-lickers and supporters of Bill Gates, the serial killer etc?”

If the cowards deny, come and see me and I will give you the evidence that these cowards are stooges of Bill Gates in Malaysia, acting as a “fifth column”.

Only idiots in Malaysia, who do not understand how to wield authority in a government, would not DARE TO OFFER an analysis of Trump's appointments and would have to hedge their bets to avoid being exposed as arseholes. Many in the world are somewhat confused by the appointments, thus far, by President Trump. It is to be expected. It is good that there were confusion in the appointments because that will rattle the serial criminals within the Democratic Party and the Deep State.

Let you on a secret!

Nothing else matters in the USA unless and until the President have absolute control over the:-

ENTIRE INTELLIGENCE APPARATUS.

President Trump has achieved this primary objective. The other appointments are secondary and will assist in the **IMPLEMENTATION** of the primary objective. This was and is the confidence which President Trump is assuring to the citizens of AMERICA as well as the **TWO LEADERS** of the Global majority i.e. President Putin and President Xi.

TRIANGULATION OF GLOBAL POWER!

At the world stage the triangulation of world power, i.e. the three sides of the **TRIANGLE OF POWER** have been established – **President Putin, President Xi and finally, the third side of the triangle - President Trump.** The entire world will heed and follow the leadership of this Triangle of Power.

THINK, THINK AND THINK

The Triangulation of Domestic Power

Tulsi Gabbard, the Director of National Intelligence
John Ratcliffe, Director of CIA
Matt Gaetz, the Attorney-General

The coordination of the entire Domestic and Foreign power structure is none other than the White House, Chief of Staff, Susia Wiles

I have stated to certain members of the Intel Apparatus in Malaysia as well as very senior retired PDRM heads and members that we need only FIVE dedicated and loyal appointments to manage an entire country, including USA.

The Indispensible Five

The President
Susie Wiles (Chief of Staff)
Tulsi Gabbard (DNI)
John Ratcliffe (CIA)
Matt Gaetz (AG)

So, don't bother to read and or listen to the so-called experts and intellectual masturbators in Malaysia who dare not proffer any views and or opinions on the appointments.

Why?

They are absolutely hopeless and opportunistic and know F#@K ALL!

A note of caution:

Of course, Trump must reward certain personages who have a huge following of their respective voter base. But, they must **walk the talk** and like the fierce and daring dogs, the **Rottweilers**, they **must fight and control** the war-mongers who are itching for the continuation of the global conflicts.

And if need be, Trump controlled "neo-cons" will fight and destroy the "Democrat Party's new-cons".

**There is a Chinese idiom,
"One must borrow the knife of a killer to kill one's enemies."**
