

# The “Democracy” Scam – From Elections For Democracy to Elections, *The Threat* To Democracy - The Malaysian Template Replaced By The Ukrainian Template

By Matthias Chang – Future Fast-Forward

## Repeat - What You Read

I want all of you to read the title of this Article, at the minimum, ***10 times***. You are not stupid, and because you are not stupid, I want you to read it 10 times. Repetition works wonders to our brains - to be ***counter-intuitive*** to what you ***have accepted*** for decades!

All politicians in Malaysia (and others as well, globally) swear that “elections” every five years (or whatever period legislated) is a hallmark of “Democracy”! When elections are removed from the equation of governance, it is dictatorship, autocracy or communism etc.

But, now the global Deep State is promoting the Ukrainian Template that,

## ***“Elections Are Threats To Democracy”***

I can assure you that Matthias Chang has not gone bonkers.... He is very sane and rational. Matthias Chang is issuing a warning and the alarm that the global Deep State is promoting and advocating that ***regime change***, even by violent means such as coups, is justifiable because an election may result in a wrong candidate or party assuming power ***contrary*** to the agenda of the global Deep State that ***its “selected” candidate(s) or party (ies)*** must be in power.

## ***No One Is Allowed To Cross Deep State’s RED-LINES***

Don’t get emotional, think and ponder the following:

- Did the US Uniparty ( supported by both the Democratic and Republican members of Congress) condemn Victoria Nuland’s \$5 Billion “Maidan Coup” in Ukraine in 2014?
- Did President Obama sack Victoria Nuland from the State Department, as Assistant Secretary of State for European and Eurasian Affairs for facilitating the coup?
- Did the EU leaders or UN protested when Victoria Nuland said “Fuck the EU” when she implemented the coup?
- The Western leaders and even UN were complicit in the coup!
- Did Western leaders condemn Zelensky when he continued as president when his term, by constitutional law and practice, has expired and an election for a new president banned! Zelensky now rules with a fascist fist!

At this juncture, to avoid any misunderstanding, I will extract the telephone transcript as broadcasted by the BBC News under the heading – “Ukraine crisis: Transcript of leaked Nuland-Pyatt call”.

Check the words highlighted in **RED**:

**Pyatt** *I think we're in play. The Klitschko [Vitaly Klitschko, one of three main opposition leaders] piece is obviously the complicated electron here. Especially the announcement of him as deputy prime minister and you've seen some of my notes on the troubles in the marriage right now so we're trying to get a read really fast on where he is on this stuff. But I think your argument to him, which you'll need to make, I think that's the next phone call you want to set up, is exactly the one you made to Yats [Arseniy Yatseniuk, another opposition leader]. And I'm glad you sort of put him on the spot on where he fits in this scenario. And I'm very glad that he said what he said in response.*

**Nuland**: Good. **I don't think Klitsch should go into the government. I don't think it's necessary, I don't think it's a good idea.**

**Pyatt**: Yeah. I guess... in terms of him not going into the government, just let him stay out and do his political homework and stuff. I'm just thinking in terms of sort of the process moving ahead we want to keep the moderate democrats together. The problem is going to be Tyahnybok [Oleh Tyahnybok, the other opposition leader] and his guys and I'm sure that's part of what [President Viktor] Yanukovych is calculating on all this.

**Nuland**: [Breaks in] I think Yats is the guy who's got the economic experience, the governing experience. He's the... **what he needs is Klitsch and Tyahnybok on the outside.** He needs to be talking to them four times a week, you know. I just think Klitsch going in... he's going to be at that level working for Yatseniuk, it's just not going to work.

**Pyatt**: Yeah, no, I think that's right. OK. Good. Do you want us to set up a call with him as the next step?

**Nuland**: My understanding from that call - but you tell me - was that the big three were going into their own meeting and that Yats was going to offer in that context a... three-plus-one conversation or three-plus-two with you. Is that not how you understood it?

**Pyatt**: No. I think... I mean that's what he proposed but I think, just knowing the dynamic that's been with them where Klitschko has been the top dog, he's going to take a while to show up for whatever meeting they've got and he's probably talking to his guys at this point, so I think you reaching out directly to him helps with the personality management among the three and it gives you also a chance to move fast on all this stuff and put us behind it before they all sit down and he explains why he doesn't like it.

**Nuland**: OK, good. I'm happy. **Why don't you reach out to him and see if he wants to talk before or after.**

**Pyatt**: OK, will do. Thanks.

**Nuland**: OK... **one more wrinkle for you Geoff. I can't remember if I told you this, or if I only told Washington this, that when I talked to Jeff Feltman [United Nations Under-Secretary-General for Political Affairs] this morning, he had a new name for the UN guy Robert Serry, did I write you that this morning?**

**Pyatt:** Yeah I saw that.

**Nuland:** *OK. He's now gotten both Serry and [UN Secretary General] Ban Ki-moon to agree that Serry could come in Monday or Tuesday. So that would be great, I think, to help glue this thing and to have the UN help glue it and, you know, Fuck the EU. \*\*\*\*\**

**Pyatt:** No, exactly. And I think we've got to do something to make it stick together because you can be pretty sure that if it does start to gain altitude, that the Russians will be working behind the scenes to try to torpedo it. And again the fact that this is out there right now, I'm still trying to figure out in my mind why Yanukovych (garbled) that. In the meantime there's a Party of Regions faction meeting going on right now and I'm sure there's a lively argument going on in that group at this point. But anyway we could land jelly side up on this one if we move fast. So let me work on Klitschko and if you can just keep... we want to try to get somebody with an international personality to come out here and help to midwife this thing. The other issue is some kind of outreach to Yanukovych but we probably regroup on that tomorrow as we see how things start to fall into place.

**Nuland:** *So on that piece Geoff, when I wrote the note, Sullivan's come back to me VFR saying you need [US Vice-President Joe] Biden and I said probably tomorrow for an atta-boy and to get the deets [details] to stick. So Biden's willing.*

**Pyatt:** OK. Great. Thanks.

Ms Nuland and Mr Pyatt (centre) met Ukrainian opposition leaders Vitaly Klitschko (L) and Arseny Yatsenyuk (R) on Thursday

**Read the transcript at least three times ..... Matthias Chang is giving you iron clad evidence.**

Since 2014, the template, for the whole world and in future, is the Ukrainian Template as envisioned by the Deep State and their obedient servants.

“Democracy” has been redefined to mean that “Democratic Governments” will be led by leaders **pre-approved** and **selected** by the Deep State. Autocratic governments and tyrants are now installed under the new definition – an insidious political scam. Was Kamala Harris not pre-approved and selected to contest the US presidential election and guaranteed to win?

Think and apply! Think and apply! Think and apply!

A whole new propaganda war has been unleashed. Mass surveillance and censorship have been mounted.

A new name for this insidious platform has been issued to all obedient and subservient politicians in charge of any Ministry, Department or Agencies and the key words are:

***Strategic Communications in place of Public Relations***

***Monitoring communications instead of censorship***

***Curtailing Freedom of Speech is defended to mean, stopping the spread of disinformation***

***Populism v Discretion in selection***

Populism is a range of political stances that emphasize the idea of defending the interests of the common people and often this group opposes the elite group. So, why is the word “populism” distorted?

Social media has been stigmatized so as to entice people to revert to MSM that touts the lies and propaganda of the elites in the financial and political circles and controlled by vested interests. I invite you to research the names of the six global corporations that own or control global MSMs!

In conclusion, I urged you to remember the words of Frederick Douglas, when commenting on the Declaration of Independence,

***“The Declaration of Independence is the ring-bolt to the chain of your nation’s destiny; so, indeed, I regard it. The principles contained in that instrument are saving principles. Stand by those principles, be true to them on all occasions, in all places, against all foes, and at whatever costs”***

**To this great legacy, I will only say Amen (Amin)!**
