

Christians Cannot Be Jesus' Followers / Devotees When They Support The Genocide In Palestine Unleashed By The Netanyahu Criminal Regime.

By Matthias Chang – Future Fast-Forward

Yesterday evening, I send out a message via my Whatsapp platform to warn my readers, the danger of the “Invented Reality” propagated by screwed up and brainwashed politicians, especially in Malaysia because they accept the idiotic propaganda and lies of Israel that GENOCIDE is valid and legal by the so-called “teachings” in the Old Testament of the Holy Bible. And Hamas is supported by Israel and Netanyahu!

I am saying, without any fear of contradiction, that 99.9% of “believers of all Faiths” have not even bothered to read ALL the Holy Scriptures so as to refute with 100% certainty that Netanyahu has lied and continue to lie that the OLD TESTAMENT asserts the heroic Palestinians can be massacred and wiped out, so that Israel can be established (without any borders) from the “River to the Sea”!

No clergy of any Faith has shown and or taught the public by sermons, statements or writings, the lies of the Israeli regime, but I readily accept that there were some token protests against the genocide committed against the Palestinians.

However, the Christian politicians and members of the Malaysian Parliament were more focused on their personal agendas. Sad!

If the hat fits them, put it on and debate with me in public!

Netanyahu's References To Amalekites

The Website “Mother Jones” reported:

(<https://www.motherjones.com/politics/2023/11/benjamin-netanyahu-amalek-israel-palestine-gaza-saul-samuel-old-testament/>)

Prime Minister Benjamin Netanyahu said that Israelis were united in their fight against Hamas, whom he described as an enemy of incomparable cruelty. “They are committed to completely eliminating this evil from the world,” Netanyahu said in Hebrew.

He then added: “You must remember what Amalek has done to you, says our Holy Bible. And we do remember.”

There are more than 23,000 verses in the Old Testament. The ones Netanyahu turned to, as Israeli forces launched their ground invasion in Gaza, are among its most violent—and have a long history of being used by Jews on the far right to justify killing Palestinians.

Rabbi Jacobs said that it remains common for Israeli extremists to view Palestinians as modern-day Amalekites. In 1980, the Rabbi Israel Hess wrote an article that used the story of Amalek to justify wiping out Palestinians. Its title has been translated as “Genocide: A Commandment of the Torah,” as well as “The Mitzvah of Genocide in the Torah”.

The Brooklyn-born extremist Baruch Goldstein also saw Palestine as Amalek. In 1994, he slaughtered 29 Muslims praying at a mosque in Hebron, a city in the occupied West Bank that is sacred to Jews and Muslims. Goldstein carried out the massacre on Purim, one week after he would have heard the biblical retelling of the command to wipe out a rival nation. As the journalist Peter Beinart and others have written, the timing was not a coincidence.

Goldstein’s grave has become a pilgrimage site for the Israeli far right. His tomb says he died of “clean hands and pure heart.” **Goldstein’s admirers have included Itamar Ben-Gvir, Israel’s current minister of national security. For Purim, a holiday on which Jews sometimes wear costumes, Ben-Gvir dressed as Goldstein on multiple occasions in his youth. He kept a picture of Goldstein in his living room until 2020. He has an extensive criminal record that includes convictions for supporting a terrorist organization and inciting racism.**

The “Times of Israel”

The Israeli mouthpiece reported in January, 2024 inter-alia, as follows:

The PMO’s statement came as the judges in the ICJ continue to deliberate whether to order provisional measures against Israel as requested by South Africa as it alleged that Israel is committing genocide against Palestinians in Gaza. It is crucial in genocide proceedings in the court to prove intent to deliberately destroy a people, or part of it, in order to rule that genocide took place — which is why South Africa cited Netanyahu’s references to the Amalekites, as well as other inflammatory comments against Gazans made by senior Israeli government ministers. South Africa’s application to the ICJ also included charges that Israel had failed to punish individuals who made inciting comments as is required under the Genocide Convention to which it is a signatory.

Israel’s legal team in The Hague attacked the fundamental claims of South Africa’s genocide allegations, which contained little mention of the atrocities committed during the October 7 onslaught by Hamas-led terrorists, with Israel arguing that the “appalling suffering” of civilians, both Israeli and Palestinian, was the result of Hamas’s strategy of

hiding behind innocents. The United States has said it believes the South African case to be meritless, and a spokesperson for UK Prime Minister Rishi Sunak said the British leader thinks the case is “completely unjustified and wrong.” Canada’s Prime Minister Justin Trudeau has said that his country also does not accept the premise of Pretoria’s accusations.

The Old Testament

I have read the Old Testament and **there are no doubts** that there are several passages inciting mass murders of men, women and children. My only caveat is “Two wrongs do make a right”. **There can never be any justification for mass murder**, in historical times or in the current era. There can never be any justifications. Period!

This poster / picture personifies the evil of the Christian Zionists in USA and I am most grateful to Ron Unz for publishing the article by Laurent Guyenot, “**The Cursed Nation and the Temple of Satan**” in his website.

I quote:

*Not all Christians stand with modern Israel. But all Christians stand with ancient Israel. Not all Christians believe that Israel has “the right to defend itself” by committing a genocide in Palestine and invading other countries. **But all Christians have been taught that ancient Israel had the right — and even the sacred duty — to exterminate the Amalekites, “man and woman, babe and suckling” because they stood in the way of Israel’s conquest of Canaan (1Samuel 15:3).***

I have checked 1 Samuel 15:3.

I will now quote other passages:

*All Christians are expected to stand with Moses when, in **Numbers 31**, he ordered his men to slaughter all the Midianites, as a punishment for having encouraged the Israelites to intermarry with the Moabites. Moses was enraged with the army commanders for sparing the women and the children, but finally allowed them to keep for themselves “the young girls who have never slept with a man.” The booty amounted to thirty-two thousand girls, of which Yahweh required 0.1 per cent as his own “portion”, offered to him presumably as holocausts, together with Yahweh’s portion of oxen, cattle, donkeys and sheep.....*

There are other biblical stories **reflecting such pre-civilizational war code**. In **Judges 19-21**, the rape of the concubine of a Levite by the Benjaminites of the city of Gibeah leads to a blood feud, in the course of which the eleven other Israelite tribes slaughter everyone in Gibeah and set the city on fire, while six hundred Benjaminite warriors have escaped into the desert. Then, as a token of reconciliation, the Israelites decide to provide these Benjaminites with new wives. For that purpose, they attack the Israelite town of Jabesh-Gilead, which had refused to join the punitive expedition, and **kill “all males and all those women who have ever slept with a man,” and gather four hundred virgins to offer the Benjaminites...**

The Unequivocal Judgment on Present Day Israel.

It takes courage and intellectual honesty to condemn Israel and Laurent Guyenot exemplifies that indomitable strength and courage. I quote:

By sanctifying old tales of tribal genocides, and claiming that the corresponding war code is the eternal Word of God, Israel has turned itself into a living stone-age fossil, a monster from a bygone age of savagery. Not the elephant, but the tyrannosaurus in the room. The Hebrew Tanakh functions as a bronze-age software programming Israel with an inflexible prehistoric mentality or semi-nomadic pastoral raiders.

With a genocidal maniac as national-religious hero, with a kill count of 24,681,116 people for its national god — a delusional demon who declared itself the only real god, therefore God — but with a modern army and a nuclear arsenal, and with an unmatched international power of corruption, **Israel has grown to be the warmonger, the bloodsucker of the world, a force for the destruction of every civilizational achievement, such as human rights and international law. If civilization means less war, then Israel is the anti-civilization. And it’s not because they reject Jesus and read the Talmud; it’s because they worship Yahweh and read the Torah.**

When the Zionists claimed that they were restoring ancient Israel, they really meant it. **We should have listened carefully when the Chief Secretary of the Lehi, or Stern Gang, claimed that his terrorist organization was “the inheritors of the purest traditions of ancient Israel.” He was right. Israel was always about the Bible.** As it grew stronger, it became more and more openly biblical. And here we are today, with a government-funded rabbi like **Yitzak Shapira (“a great halakhic arbiter” according to Netanyahu) writing in his book Hamelech (“The King’s Torah”): “There is justification for killing babies if it is clear that they will grow up to harm us.” Shapira claims that his edict “is fully justified by the Torah.”**

He is right, no question about it. The Bible is Israel’s blueprint for genocide.

Israel is not just anachronistic. It is sick. Israel is the psychopath. Something must have happened in the infancy of this Yahweh-worshipping federation of tribes, something of a traumatic nature. I will suggest a “Cain complex.”

Non-Christians should not be in glee that I have quoted at length the horrors in the Old Testament. Have we not been told that humanity “belongs” to the ancient Abrahamic traditions – that the scriptures (the books) must be followed. And yet people of all Faiths conveniently forget the horrors and the blasphemies recorded, as coming and given by the one true God.

Do we pray to “YAHWEH”, the God of the “Jews”? No! No! No!

There were no Jews at the time of the Old Testament or even at the time of New Testament. The **word “Jew” is a British invention.** If you do not believe me, research and verify,

*The English term **Jew** is originally derived from the Hebrew term Yehudi (lit. 'of Judah'), which passed into Greek as loudaios and into Latin as Iudaeus, in turn evolving into the Old French term giu after the letter "d" was dropped **A variety of related forms are found in early English from about the year 1000, including ludea, Gyu, Giu, luu, luw, and lew, which eventually developed into the modern English word for the Jewish people.***

Summing Up

I agree with the conclusions of Laurent Guyenot when he wrote and I quote once again in extenso,

*... the Romans were taught that the Jews were the first to worship the true God. And so the wickedness of the Jews could no longer be attributed to the wickedness of their god. Instead it was explained as a consequence of the Jews' turning away from the true God. **Whereas ancient Egyptians, Greeks and Romans had thought the Jews were a cursed people because they hated all gods but Yahweh, Christians believe that the Jews were a holy people as long as they hated all gods but Yahweh.***

Using Revelation 2:9 and 3:9, Christians blame the “synagogue of Satan” and the Talmud rather than the Temple and the Torah.

Which is odd, because Jesus fought the Temple, not the synagogue. He called the Temple “a den of thieves” (Mark 11:17), and it was the uproar he caused there that determined the priests to get rid of him. They accused him of wanting to destroy the Temple. And according to the gospels, he did predict its total destruction (Mark 13:2).

*The Christian “synagogue of Satan” theory means that Jews commit evil under the influence of Satan, not Yahweh. But that theory is demonstrably false: **whenever Israelis do satanic things, they do it in the name of Yahweh, not in the name of Satan. Netanyahu declared that he will do to the Palestinians what Yahweh, not Satan, ordered Moses to do to Amalek. So it is about time we return to the Greco-Roman theory: Israel is evil because the god of Israel is evil. The problem is with the Temple itself...***

Revisiting Invented Reality

Once we reject the “Invented Reality” of Israel, then Christians must accept and follow that there is only one JESUS, who is not and cannot be YAHWEH, God of the ancient and the present day “Israelites”.

Know history, and you will know the Old and New Testaments of the Bible, not the distorted versions of the Holy Bible.

Remember, Jesus threw the money-lenders out of the Temple who conducted business of moneylending in the Temple.

If truth be told, the reference to the “**Synagogue of Satan**” should be renamed to the “**Temple of Satan**”.

For Christians, may I be permitted to refer you to **1Peter 2:4-10** as my parting shot that you turn away from false Believers – the Israelis are not the “chosen People. They are Evil.

Are you even aware of the Epistle of St. Peter, as stated below?

1Peter 2: 4-10

Coming to him as to a living stone, rejected indeed by men, but chosen by God and precious, you also, as living stones, are being built up a spiritual house, a holy priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ. Therefore, it is also contained in the Scripture,

*Behold, I lay in Zion
A Chief cornerstone, elect, precious,
And he who believes on Him will by
no means be put to shame.*

Therefore, to you who believe, He is precious; but to those who are disobedient,

*A stone of stumbling
And a rock of offence.*

They stumble, being disobedient to the word, to which they also were appointed. But you are a chosen generation, a royal priesthood, a holy nation. His own special people, that you may proclaim the praises of Him who called you out of darkness into his marvellous light; who once were not a people but are now the people of God, whom had not obtained mercy but now have obtain mercy.

By this passage, it is stated that Jesus has turned his back on the then “Jews” (the use of the word is for convenience by me) and the “New Believers” (those that came after Jesus) are the chosen people.

I stand to be corrected, but my understanding of this passage is that the Israelis are not and can never be the “chosen people”, and by this Epistle, only those, who believe in the teachings of Jesus. Period!

Yet, Christians have not read this Epistle and go on a rampage to divide Muslims and Christians. Sad!
