

Imperialist Barbarians and Vipers At The Gates Spewing Venom. The Abuse Of Islam and Women As Weapons To Divide & Conquer

By Matthias Chang – Future Fast-Forward

Declaration of War

This is a **War Declaration** – **against the cultural shock and awe, and the sinister civilisational war campaigns unleashed by the Zionist Anglo-American Empire.**

Sex and women have been weaponised to seduce the minds of weak and gullible men, to be zombies, to obey the commands of the Empire!

Hypocrisy runs wild and rules supreme.

Malaysians insist that my articles must be written in “Queen’s English” (now that Charles is King, maybe it should be “King’s English”) even though they would not understand the sophistication of Queen’s English!

Piss off!

(i) An unblemished short Story

You don’t like the use of the four letter word – F#@K! Go and listen to the conversations of Westerners, by the so-called respectable politicians in the corridors of power. But, it is acceptable when the neocon, Victoria Nuland says it (“Fuck the EU”) when preparing for the coup in Ukraine and as reported by the BBC news.

Hypocrites!

Why?

Your **(if the hat fits you)** filthy rich husband or the up and coming nouveau riche “boy-friend” or future husband, politicians etc. f@#k at the night clubs to “entertain” or “show-off” in grand condominiums, conveniently referred to ” MY MESS” with in-house maids and chefs to cater to their fancies, laced with drugs or stimulants!

And yet, the innocent and gullible wives boast that their husbands / boy-friends are so loving and faithful etc.!

Only these people have the means and or the expense accounts to indulge in sexual fantasies. The “time-value” is calculated in RM XXX per hour and the “tips” or “appreciation” is calculated as number of hours allocated in the bill. So,

when the bill is prepared and paid by plastic cards, it will show e.g. RM200 X ten hours, of which 8 hours are for tips.

Why do you think, so many women are moon-lighting?

This is how sex and women are weaponised all over the world by Intel Agencies. No exceptions!

How I know? I was invited by the “rich” on two occasions, once to a “MESS” and another to a posh restaurant to be “set-up” (I will leave it to your erotic imaginations) but, I stormed off upon the entrance of the shapes, sizes and youthful temptations!

The events were recorded, corroborated by my then official chauffeur and secretary when I was the political secretary to the then Prime Minister of Malaysia. I have my flaws, but I am not so stupid to be set-up by so-called “friends” who have the prefix “Dato” etc. in their name-cards!

I was also offered a bribe, to share a “loot” of RM 300 Million and I told the hypocrites to f#@k off! The witness to this sordid affair was my then secretary, who on my instructions, kept the door to my office open, so that she could hear the deliberations. I prayed and prayed that I will never succumb, even at any higher offer, in the RM Billions. The criminals failed!

Don't you dare say that ***you are not corrupt***, if you have never experienced an offer of a bribe or gave a bribe, no matter how small!

Political power addiction / appointments ***are the price of political briberies!***

And we talk about getting rid of corruption, when political power corruption is staring at our faces.

(ii) The Trophy Wife or Mistress

The weapon of choice of Intelligence Services of the world is the “trained seductress”, who may, if circumstances demand, even “marry” the target or be the mistress. The rest of the story is up to your erotic imagination (if you have any).

The Weaponisation of Islam

Ask the Trillion \$ question, why is Islam weaponised and or demonised by the Empire, especially in the Middle East?

I have my answers but I would not share with you. It is for the Muslims to answer and or to advise me, if they so wish to do!

Consider the following ***contradictory*** bullet points:

- Muslim Turkey is a NATO member and support ISIL (a derivative of Al Qaeda) in Syria.
- The Empire trains, fund and arm “Muslim terrorist groups” to create havoc and instability wherever is needed to serve the Empire’s interests.
- The Kurds (the majority are Sunni Muslims) are supported by the Empire to fight the Turks who supports ISIL.
- Turkey, where up to 99% of Turks are largely Sunni Muslims and follow the Hanafi School of legal jurisprudence, offer military bases to the US military.
- Hezbollah is fighting ISIL and other Muslim terrorists in Syria.
- US is funding and arming Israel to destroy Hezbollah in Lebanon.
- Muslim Iraq and Muslim Iran fought an eight year war and millions died.
- Muslim Arab countries aligned with Iraq fought against Iran;
- Saddam Hussein who was personally close to Donald Rumsfeld, was destroyed because Muslim Iraq failed to defeat Muslim Iran.
- Muslim Arab countries allowed the CIA etc. to conduct torture in “rendition sites” in exchange, inter-alia, for protection of their regimes.
- NSA Bahrain is situated in the Kingdom of Bahrain and is home to U.S. Naval Forces Central Command (CENTCOM) and U.S. 5th Fleet. NSA Bahrain provides Operational Support to U.S. and Coalition Forces operating throughout the CENTCOM area of responsibility, ensuring security to ships, aircraft, detachments, and remote sites.
- Muslim Arab countries declared their so-called support for the Palestinians, but they have “normalised” their relations with genocidal Israel - Egypt was the first Arab state to recognize Israel diplomatically in 1979 with the signing of the Israel-Egypt Peace Treaty. It was followed by Jordan with the Israel-Jordan Peace Treaty in 1994. In 2020, four more Arab states (the UAE, Bahrain, Morocco and Sudan) normalized relations.
- Saudi Arabia was the lynchpin of the “Petro-dollar”.

Need I say more?.

In all seriousness, I am still waiting for the answers from my Muslim friends to the questions below as I am studying Islam every day with a copy of the Holy Quran with English translation and selected commentaries by the Abdullah Yusuf Ali, as Muslim witnesses can testify,

“What kind of Islam are the above-named countries adhering to?”

“Is Wahhabism, an accepted “branch” of Islam in Saudi Arabia, mentioned in the Holy Quran?”

“Does the Holy Quran mention the concept of “branches” of Islam?”

From the Internet, my research revealed this summary of the early history of the spread of Islam:

During the seventh century, after subduing rebellions in the Arabian Peninsula, Arab Muslim armies began to swiftly conquer territory in the neighboring Byzantine and Sasanian empires and beyond. Within roughly two decades, they created a massive Arab Muslim empire spanning three continents. The early Muslim conquests that occurred following the death of Muhammad in 632 CE led to the creation of the caliphates, expanding over a vast geographical area.

In 732 C.E., Muslims invaded France but were defeated by Charles Martel and the Franks at the Battle of Tours. This defeat stopped the Islamic Empire from expanding into Northern and Western Europe. In 750 C.E., the Abbasids came to power after a rebellion against the Umayyads. Under the Abbasid caliphate (750–1258) the focal point shifted to Iraq, where, in 762, Baghdad, the circular City of Peace (madinat al-salam), was founded as the new capital. Dynastic struggles later brought about the Caliphate's decline, and it ceased to exist as a functioning political institution with the Mongol destruction of Baghdad in 1258.

The Final War Against Islam

In my previous articles and analyses, supported by archaeological evidence, I agreed with the findings that at the present location of the Dome of the Rock and the Al Aqsa mosque, there are no evidence that the two “Judaic” Jerusalem Temples were erected there as opposed in its correct location, in Zion, the City of David, situated **further south** as shown in the picture below.

In essence, the Al-Aqsa Mosque stands not just as a physical structure but as a symbol of unity, faith, and divine connection for Muslims. Its historical legacy, association with the Prophet's Night Journey, all contribute to its revered status as one of the holiest sites in Islam. (source – Wikipedia)

Britannica, the encyclopedic mouthpiece of the British asserts that:

In modern times the mosque and the plaza have become a particular point of tension in the Arab-Israeli conflict. Apart from its importance to Muslims, the plaza holds significance for Jews as the site of the Temple of Jerusalem, whose Herodian incarnation was destroyed in 70 CE.

The Temple Mount, as Jews refer to the plaza, and the adjacent Western Wall have since served as a site of pilgrimage. During the Six-Day War (1967), Israel (state established in 1948) occupied East Jerusalem and its Old City, which had been part of

Jordan. Israel later annexed East Jerusalem, but the plaza was left under the custodianship of an Islamic trust (waqf) maintained by the Hashemite dynasty in Jordan. In the following decades, however, restrictions on Palestinian Muslims' access to the site, as well as Israeli excavation projects in the vicinity and evictions of Palestinian residents in nearby neighbourhoods, contributed to Muslims' concerns over the holy site's fate.

If the objective of the Zionist Jews is to locate the Third Temple on the site of the mosque or in the vicinity of the plaza, I would submit that there will a final clash of civilisation between Islam and Babylonian Talmudism.

This is the rationale for the destruction of seven Muslim nations in the region ending with a war and destruction of Iran. **It is to prevent any impediments to the building of the Third Temple at the Holy Site of the Al-Aqsa Mosque by any Muslim nations.** Aljazeera has reported that the former commander of NATO's forces in Europe, General Wesley Clark claims he met a senior military officer in Washington in November 2001 who told him the **Bush administration was planning to attack Iraq first before taking action against Libya, Somalia, Sudan, Lebanon, Syria, and Iran.**

Therefore, we are at the stage when the last piece of the jig-saw must be played.

The Zionist fanatics must have this war, the ultimate clash of civilisations.
