

# Fog Of War & The Clarity of Vision

By Matthias Chang – Future Fast-Forward

## Introduction

There are so many allegations of “confusion” and or “wrong policy choices” by global political analysts regarding President Trump’s various announcements, notwithstanding that President Trump has been in office for less than a month. The issues of Greenland, Canada, Panama, Mexico, Israel, Gaza, Ukraine, NATO and EU come to mind.

I was not surprised at all.

**The critics have not the foggiest idea of running a divided, corrupt and money-driven Empire which he has inherited from previous US administrations. The corruption DNA in the US is so embedded (for decades), that it would require a miracle to cleanse the filth. But these critics have no guts to do the dirty work, but chose the safe and uncontroversial route of “objective” criticisms. Hypocrites!**

President Trump was a successful businessman and more importantly a successful “Builder”. Yet, he survived (**after two assassination attempts**) in the filthy world of US politics, the most corrupt in the world. The political corruption has been “legalised” by the three US entities of power - the Executive, the Congress and the Judiciary (joined at the hip). Yet, arseholes are trying to “teach” and “advise” how, President Trump should conduct himself. They can all fuck off! I don’t give two hoots for any of these so-called advisers etc. **The issue has nothing to do with whether you support or hate President Trump. I am not in America but in Malaysia**

**We are dealing with the politics and the survival of the most powerful Empire in history. That is the starting point. Get that into your fucking head (caught between the legs)!**

## A Digression Inspired By Johnny Nash

Johnny Nash, in the best tradition of Reggae, wrote the lyrics of the song, “**I can See Clearly Now**” and recorded the album of the same title, in 1972 (which many of you were not even born at the material time).

*I can see clearly now, the rain is gone  
I can see all obstacles in my way  
Gone are the dark clouds that had me blind  
It's gonna be a bright (bright), bright (bright)  
Sun-shiny day  
It's gonna be a bright (bright), bright (bright)  
Sun-shiny day*

*I think I can make it now, the pain is gone  
All of the bad feelings have disappeared  
Here is the rainbow I've been prayin' for  
It's gonna be a bright (bright), bright (bright)  
Sun-shiny day*

*Look all around, there's nothin' but blue skies  
Look straight ahead, nothin' but blue skies  
I can see clearly now, the rain is gone  
I can see all obstacles in my way  
Gone are the dark clouds that had me blind*

*It's gonna be a bright (bright), bright (bright)  
Sun-shiny day  
It's gonna be a bright (bright), bright (bright)  
Sun-shiny day  
It's gonna be a bright (bright), bright (bright)  
Sun-shiny day  
It's gonna be a bright (bright), bright (bright)  
Sun-shiny day*

**It is incredible that only a few can see through the fog of war and have a clear vision ahead even as there are 'no more rain, the pain is gone, bad feelings have disappeared, the rainbow has emerged and there are clear blue skies...'**

**But, arseholes cannot see through the Fog of War! This is the global problem. And these arseholes insist that their visions (if any) are the preferred visions! Give me a break!**

**Two assassination attempts** did not deter Trump. He persisted, when others would have **given up for** a sex- filled life, money, corruption and hypocrisy.

The reason, why we have arseholes parading as the “know-all”, is simple. They have **NO ROOTS!**

## **The Test & The Hypocrisy**

I will use **GAZA** as an example.

Since 1948, there has been **NO SOLUTIONS**. All talking BS and not ‘Walking the Talk’! Freaking arseholes are using the Palestinians for their **corrupt domestic agendas**. These corrupt politicians portray themselves as “Heroes” but not one country and or leader has sent their military to fight against the genocide – the inhumane slaughter of the Palestinian men, women and children by Israel, **except Yemen (directly) and Iran (indirectly)**. **The biggest hypocrites are the Arabs and Muslims in the Middle-East. They have soiled the Holy Lands in Jerusalem, Mecca and Medina and the Islamic Civilisation and worshipped the God of Money and the Sexual Perfidies!**

## **Abomination! Betrayals! Lies! Propaganda!**

**President Trump**, by making what has been perceived by the hypocrites his 'plans' for Gaza, **has exposed for the world to see in clear blue skies, no bad clouds and or rain, the fucked up lies and propaganda of those who demand action from President Trump, when he was elected to lead an Empire to resolve the problems created by the inaction of these scumbag hypocrites!**

Hypocrites condemn his alleged "friendship" with Israel and Netanyahu, when they have not even visited Palestine, as the brave American activist Rachel Corrie had, but was murdered by an Israeli soldier driving bulldozer that ran over her, when she was preventing the demolition of a Palestinian home!

**Where were you at the time of this barbaric murder? Did you stop the mass killings?**

The Palestinian Resistance forces defeated the **IOF** (Israeli Offensive Forces) but you freaking cowards still refer to the **IDF** (Israel Defence Forces) in clear view of the unprecedented and historic defeat of Israel.

## **Unprecedented sacrifices by the entire population of Gaza!**

Ask, your freaking cowards and scumbags of the world,

*Why did the IOF wage war mainly in **Jenin** (in the West bank) and not the entire West Bank after their **defeat in GAZA**?*

*Did you freaking cowards forget **NAJWA**, a young girl from Jenin who came to Malaysia to tell us the atrocities inflicted on the people of Jenin? I went to Palestine to bring her to you! Jenin was devastated way back then, when the Israeli cowards bombed Jenin*

**See the photo of my Najwa below, that young girl!**

**Watch the video below accompanying this article**

A pair of eyes appeared in a vision in my dreams. Not a picture! I was so desperate that I contacted my Palestinian colleague to **look for a girl with a description of her eyes only**. They said it was impossible to look for a young girl without any photos but **only my description of her eyes of innocence**. A miracle happened and she was found and I brought her to Malaysia! She spoke at a conference that I organised for Palestine in the Putra World Trade Centre (PWTC) and was later introduced to the then former Prime Minister of Malaysia, YAB Tun Dr Mahathir Mohamad.

**Can Gaza be rebuilt and for Palestinians, once living there, to return home?**

How long does it take to build even low costs flats in Malaysia in the absence of a barbaric war??? At least three years!

Regardless of any ulterior motives, who can impose a cessation of war in Palestine?

Malaysia? Indonesia? Saudi Arabia? Qatar? Bahrain? Kuwait? Syria?

Stop daydreaming!

Trump never declared that he is a saint. So, why do you expect a saint?

**President Trump is a leader of the Empire nothing else and he has declared openly that he wants MAGA. And he can have MAGA if there are no more wars. Of course it is an opportunistic gambit. Why, are you a Saint?**

**Did Russia, China, Malaysia etc. send their military forces to fight against Israel?**

**If truth be told, I rather have Trump than the Arab fuckers and Muslims in the Middle East who continue to Kow Tow to the USA, and talk BS. The brave Palestinians have won a war against Israel, but have yet to live in peace. They have been betrayed time after time by the Arabs and Muslims in the region.**
