

Whisper's 46th Meditative Insight To The World

Shared by Matthias Chang

The problem with humanity is that they **REFUSE** to understand and comprehend the **MESSAGE** and their arrogance and exaggerated self-worth / importance blind them to the Truth. It is very tiring and wearisome to share messages, especially when sharing with arrogant people. But, we have to be patient.

It is not for me to convince, persuade but to share the message. There is significance in every word given to me and shared with **YOU**. We reap what we sow!

The Three Keys

Whisper was emphatic in delivering this insight to me. I was so tired and weary and this could be the reason for Whisper's patient demeanour towards me this early morning.

There are only **Three Keys** to unlock the door to the other side - to be blessed with enlightenment.

"Matthias, the **Three Keys** were given to humanity throughout the ages, but only the dedicated, the disciplined and the flawed, who recognising their own flaws, **SEEK THE TRUTH** and embark on the arduous journey to understand and comprehend."

"The Three Keys 'acting' as **ONE** and used as **ONE** can open the door. Without the keys, no one can surmount the challenges and will be wondering souls lost for want of directions."

"What are the Three Keys?"

"They are:-

- (1) The Key of Prayer;
- (2) The Key of Fasting;
- (3) The Key of Absolute Faith; and

... YOU will be ridiculed and condemned for revealing the keys when all that you have done, was merely restating what has **been revealed** in **ALL HOLY SCRIPTURES**. No exceptions, **all scriptures**."

"**THREE**" is a spiritual number. Few understand the numerical significance and the **GIFT** embodied in **NUMEROLOGY**. For the many it is 'mumbo jumbo' but wise men and women since ancient times have considered it as the **Science of**

Numbers. And only when humanity discovered the **number 0 (Zero)** was the Science of Numbers fully revealed. Only idiots scoff at Numerology!”

“The number ‘Three’ is but a starting point and unless it is understood beyond that number and revealed as **the number** for the understanding and comprehension of the **KEYS** to the door representing Prayer, Fasting and Absolute Faith, the **TRUE SECRET** is thereby hidden to the ignorant and the arrogant unbelievers!”

“Many of your people in your country in the month of RAMADAN are praying and fasting, seeking guidance for salvation.” So, how can this simple truth be mumbo jumbo?”

“Respect and admire those who are on this journey.”

“There also those who fast on the Friday of each week - Christians fast on ‘**Ash Wednesday**’ and ‘**Good Friday**’ the **obligatory days of fasting and abstinence**. In the Buddhist tradition, **fasting is an important practice and the devout devotees fast from noon to dawn of the following day.**”

Alone in my office, I contemplated on this practice. And I recalled my ‘Hunger Strike’ in prison when I was wrongfully incarcerated as a terrorist under a draconian law for exposing a heinous crime, the blatant plunder of our country’s financial resources. Little did I appreciate then, that it was this practice of ‘fasting’ (hunger strike was worse) that sustained me in those dark and weary days. I never lost faith that I would be vindicated. I am blessed!
