

Whisper's 49th Meditative Insight To The World

Shared by Matthias Chang

Darkness!

Pitch darkness!

I could not even see the palm of my hands!

Whisper entered my realm not in the usual vision that I was accustomed to in my daily meditations at 3 am.

Whisper's presence was her mere silence. Whisper said,

"Have you forgotten your good friend, Darkness who has been by your side all these years?"

I could not react, dumbfounded by the darkness of the introduction. Then, I recall the lyrics of the song, which gave me so much comfort whenever I was troubled.

***Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence***

I felt so stupid, so idiotic that in the Sound of Silence of the night, **Darkness** was my loyal companion.

Darkness wrapped me in her arms and said,

"Did you not see with **your Heart**, when **your eyes** see not the **reality of your being?** How can there be '**EN-LIGHT-EN-MENT**' **WITHOUT MY PRESENCE?**"

"At 3 am, in the darkness of the morning, a contradiction in itself and during your meditative practice, you were given the blessing of '**SEEING**' and the '**REALISATION**' of **TRUTHS** hidden for such a long time."

"Hello, Matthias, you forget so easily. I was and still am with Whisper whenever she visited at 3 am and you saw the 'Enlightenment' within Whisper only because you contrasted her presence within the envelope of my Darkness."

"The insights and visions were so clear, without ambiguities **because my darkness reveal HIS absolute Truths.**"

“Darkness has been associated with negativities by the ignorant and the uninitiated. Yet, the negativity of genocidal wars of the innocents in plain sight, have not stirred humanity to action but these genocides continue with vigour and supported by your people who proclaim that they want peace.”

“I did not fail them, but these people did not appreciate and or understand the true meaning of Darkness. They chose to ‘see’ only the darkness of negativity but not the ‘**LIGHT**’ and the ‘**SILENCE**’ of darkness. I am the witness to these atrocities and there shall be an accounting of those who abuse their power and used my darkness to blind, to hide and mislead the many from seeking the **HIS** Truths.”

Holding their hands together, Whisper and Darkness drifted away in the confidence that **my heart saw and will see with clarity HIS absolute Truths.**

My message to you is just this:

**Don't be afraid of Darkness.
Darkness with Whisper bestows clarity!**
