

# Whisper's 50<sup>th</sup> Meditative Insight To The World

## The Tear Drop of Clarity

When I woke up at 3 a.m. as usual, a heavy downpour, lightning and thunder came crashing down, as if Hell broke loose.

Whisper knowing my state of mind and anxiety said,

“Matthias, throughout the ages from time immemorial, humanity has posed millions of questions, searching for answers. This is, in spite of so many prophets and scriptures - the Torah, the Holy Bible, the Holy Quran, the Dhammapada, Bhagavad Gita, the Taoist texts etc. giving the answers. But, we asked and ask again and again, most queries are the same questions and so many have been answered. What conclusions should we draw from this observation?”

“Matthias, **humanity talk too much** .... Billions of people offering their views and opinions, many assert that their views are absolutely correct and true! And yet, there are no satisfactory answers.”

“Matthias, let me share this Truth, but you need not ask me any questions for clarity. You have observed this early morning the down pour, ‘raining cats and dogs’ but you missed the **“Tear Drop of Clarity.”**”

“So many have cried and demanded answers – why the genocide, the cruelties, the barbarism, the racial divides, the wars... and when they stopped crying, **the cruel world moved on.**”

**“Ask HIM and HIM alone for only HE can provide the answers. This is the only spiritual experience that you need, nothing else.”**

**“It is in silence that you seek ‘enlightenment’ and it is in silence that HIS Blessings are given. In silence, we meditate and communicate. Your Heart speaks, not your mouth, for words are never enough to express your desires for ‘enlightenment’ and ‘fulfilments’.**

“We have instructed that you merely convey, not to persuade or convince the insights given to you. It matters not whether they believe or disbelieve. The burden of frustrations, disappointments, and even anger are not for the messenger to carry. It is too weighty in-itself for messenger to share the insights given without having to shoulder other responsibilities.”

“It is the recognition and acceptance that we are so flawed and we should never be **the** point of reference. Ego must not stand in the way. When does one size fits all?”

**“The answers and insights given to you may or may not be relevant to any other person. They must meditate and in silent humility, seek HIS answers that will be ‘crafted’ to their needs at the time of HIS choice, not forgetting to COUNT HIS Blessings received.”**

**“Tears have been shed, yet in HIS way, for which you must unquestionably pursue, TREASURE that one Tear-Drop of Clarity for the pain and cruelty suffered.”**

**Surprisingly, the rainstorm stopped when Whisper departed, and the shimmering light of the morning Sun appeared in the distance. Tiredness evaporated and I welcomed the new day with confidence.**
