

# The US President, Most Powerful In the World. The US Military, the Most Powerful In The World – Absolute BS!

By Matthias Chang – Future Fast-Forward

I append below a quotation from President Trump and I scoff at the BS and arrogance revealed!

***ALERT: All purchases of Iranian Oil, or Petrochemical products, must stop, NOW! Any Country or person who buys ANY AMOUNT of OIL or PETROCHEMICALS from Iran will be subject to, immediately, Secondary Sanctions. They will not be allowed to do business with the United States of America in any way, shape, or form. Thank you for your attention to this matter. (Emphasis in accordance with the original)***

**PRESIDENT DONALD J. TRUMP @realDonaldTrump**

The quotation is an apt example of the mental fucked up, BS and misplaced arrogance of each and every President of the US since WWII.

WHY?

I have utter contempt for the US politicians because whenever the Israeli dog allegedly barks, the entire US political class cowers in fear. In Queen's English "cower" is explained as – "*a physical manifestation of being overwhelmed by a feeling of being threatened, often accompanied by a bending or shrinking away from the source of fear.*"

**Freaking US politicians believe in their own lies, narrative and propaganda!**

Zionist Israel and Zionist Israelis are for all and purposes, the creation of the British Empire and after WWII, they are the barking dogs to intimidate the "bought and paid for Arab politicians" who pride themselves as Muslims, but they insult Islam and Allah!

The main reason that the Zionist bullshit propaganda has dominated the geopolitical narrative since WWII is because the Muslim Arabs are cowards and have collectively betrayed their faith in Allah, **save for the Palestinians and the Houthis of Yemen.**

**The non-Arabs - the Iranians are standing firm to defeat the hyped up Israelis.**

The Israelis and the Americans cannot have the cake and eat it as well. It is so easy to deconstruct the silly narrative and lies.

**I am going to shock the stupid Arab arseholes by DECLARING AGAIN (I have done it any times) that Israel HAS NO NUCLEAR WEAPONS, NOT EVEN ONE.**

**It's a big lie to intimidate the slavish Arabs!**

Once this reality is accepted, our perspective changes 180 degrees! This propaganda and lie were supported and promoted by the spineless Arab leaders and other "Muslim Sell-Outs" to serve the British Empire's agenda

**The Zionist Jews who did not exposed this nonsense, are by their stupidity generating hate and anger against Jews** and in the words of the brave Jew, Norman Finkelstein, created the Holocaust Industry. Wikipedia states:

***The Holocaust Industry: Reflections on the Exploitation of Jewish Suffering is a book by Norman Finkelstein arguing that the American Jewish establishment exploits the memory of the Nazi Holocaust for political and financial gain and to further Israeli interests. According to Finkelstein, this "Holocaust industry" has corrupted Jewish culture and the authentic memory of the Holocaust.***

When the US dropped the two nuclear bombs over Hiroshima and Nagasaki, no one and or country (with the exception of the then Soviet Union and China) dared question the intent of the new US Empire that inherited the British Empire in strict accordance with the geopolitical script given out.

It is sheer common sense! Yet, you have not considered and or entertained the following queries?

- **Assuming that Israel is all powerful**, explain why the US military had so many military bases surrounding the Middle East to protect Israel?
- **Assuming that Israel is all powerful**, explain why the US had to airlift equipment and armaments during the 1973 Yom Kippur war in support of Israel?
- **Assuming that Israel is all powerful**, explain why Golda Meir was so dejected that Israel would be defeated if there was no support from the US at the material time?.
- **Assuming that Israel is all powerful**, explain why Israel **did not unleash or threatened to unleash nuclear bombs to avoid defeat but had to rely on the US military might with the tacit agreement of the then Soviet Union?**

THE HUGE GALAXY C-5A TRANSPORT PLANES OVERFLYING ISRAEL'S skies, carrying precious commodities and much-needed military supplies, came as drops of water to an arid land and to the distressed Israel Defense Forces (IDF). Or at least, that is the impression one could get from reading the memoirs of Israel's then Prime Minister, Golda Meir. For example: "We needed those arms really desperately, and in the beginning, they were slow in coming." She also knew whose blame it was: "The story has already been published of that delay, of the US Defense Department's initial reluctance to send military supplies to us. . . . Each hour of waiting that passed was like a century for me," she recounts, until finally, "Nixon himself ordered the giant C-5 Galaxies to be sent."<sup>1</sup>

- **Assuming that Israel is all powerful**, explain why the entire Western mass media had to extol the perceived and exaggerated might of the Zionist regime?
- **Assuming that Israel is all powerful**, explain why the Israeli military could not defeat the Hamas / Hizbollah Resistance in Gaza and Lebanon and had to slaughter innocent old men, helpless women and children in Gaza?
- **Assuming that Israel is all powerful**, explain why the United States gives US\$ Billions to Israel annually, which in turn are laundered back to finance Zionist support in the USA to give the illusion that Israel controls the political process in the US?
- **Assuming that Israel is all powerful**, explain why Israel needs the US military to wage a potential war against Iran and not deploy Israeli soldiers to defeat the Iranians?
- **Assuming that Israel is all powerful**, explain why Israel did not dare compel the US to locate the US Embassy from Tel Aviv to Jerusalem until President Trump decided to do so to repay the 'Jewish vote' for his re-election?
- **Assuming that Israel is all powerful**, explain why Israel **only in 1980**, passed the "Jerusalem Law", which declared that "Jerusalem, complete and united, is the capital of Israel". **The Security Council declared the law null and void in Resolution 478, which also called upon member states to withdraw their diplomatic missions from the city.**
- **The United States did not veto United Nations Security Council Resolution 478. The resolution was adopted by a vote of 14 in favour, 0 against, with the United States abstaining.**

India, Pakistan, North Korea have no qualms in declaring that they have nuclear weapons. South Korea is under the nuclear umbrella of the US but has no nuclear weapons.

**There is no need for the narrative to be adopted by Israel, the propaganda ploy of “nuclear ambiguity” and or the oft repeated threat of the “Samson Option” if indeed Israel has nuclear weapons. JFK was assassinated because he did not allow Israel to have any nuclear weapons.**

Wikipedia explains:

*The Samson Option (Hebrew: ברירת שמשון, romanized: b'rerat shimshon) is Israel's deterrence strategy of massive retaliation with nuclear weapons as a "last resort" against a country whose military has invaded and/or destroyed much of Israel. Commentators also have employed the term to refer to situations where non-nuclear, non-Israeli actors have threatened conventional weapons retaliation. The name is a reference to the biblical Israelite judge Samson who pushed apart the pillars of a Philistine temple, bringing down the roof and killing himself and thousands of Philistines who had captured him.*

**It's all propaganda because President Johnson, by a secret agreement guaranteed Israel's total security as long as Israel was the “Bully Boy” of the US in the entire Middle East.**

Israel is the “hired gun / hand” of the US Hegemon or the “deputy Sheriff” to bully, monitor and intimidate the Arab political cowards to kow-tow to the Empire and to pay protection monies to the Empire to ensure their political survival.

The contempt and insult have been so obvious that President Trump in an uncensored video, called out the subservient scumbags and I quote from Reuters on 9.4.2025 and as reported by the UK Guardian newspaper:

**Donald Trump bragged about countries 'kissing my ass' to negotiate tariffs during a dinner for Republicans on Tuesday. The US president said: 'We're going to do much better than that this time, because this time I'm doing what I want to do with respect to the tariffs.' He added that Congress should not get involved in the negotiations because 'they don't negotiate like I negotiate'**

**Prove me wrong and or deny that President Trump did not have such contempt for slavish arseholes “kissing my ass” .... US\$ 1 Million bet, if you dare. Watch the video!**

**The political leaders have no shame, kissing President Trump's ass and claiming what a deal they are making with President Trump. Arselickers!**
