

Whisper's 53rd Meditative Insight To The World

Shared By Matthias Chang

Time after time, Whisper brought me back, smacking me to the ground of reality. We are so arrogant that we can do so many things on our own and not need help from anyone. We are too proud and expect people will come to us, help us when it is just the opposite! And we not willing to be humble, overestimating our abilities and resources. This is the blue print for disasters.

So, I am so grateful that Whisper has always been at my side, guiding me on my journey and interceding on my behalf to HIM, who is the LIGHT.

Whisper looked at me and lovingly reminded me,

"Matthias, you must always direct your mindfulness to the '**CLOSED AREAS**' of your being. **Open your eyes and see beyond your being, especially when the windows of your being are dirty and clustered with non-issues.**"

"Arrogance blinds us to the beauty of reality and the ability to see the inter-connectedness of all things. Whenever, we are burdened with challenges, problems, our inadequacies, we never stopped to evaluate, to think that we are **NOT ALWAYS THE PROBLEM.**"

"There are those that misguided you and your journey." **This is a huge obstacle.**

"However, you must also cast aside the ME, MINE, MY... YOU OWE ME, THEY NEED ME etc ... forgetting that **FROM THE TIME OF OUR CONCEPTION** we were always dependent on our mother. In your reality, **your Mother is and always will be your pillar, blessed by HIM to be your Mother.**"

"More importantly the **realisation** that **HIS PRESENCE** and **LOVE** never failed you in all circumstances and you **must always return** to this source of all things."

"There are things beyond your control. Leave them to **HIM** to sort them out and open the way for you. Listen to **HIM** and not the so-called friends who pour out negativities at every turn, dampening your Faith and determination. **Don't ever roll out the red carpet for these charlatans and disbelievers.** They are the baggage and the weights that hold you back from your true path. **HE has the answers that you seek and so plead with HIM that you will complete your journey.**"

"Your past experiences have shown, but you have forgotten, that your so-called friends and supporters only gather around you because they perceive you as

their 'meal ticket', a 'stepping stone' and will cast you aside once you are no longer useful or relevant. If after three chances, and they continue to fail and or disappoint you, cast them aside or they will hold you back!

"I would like to remind you to count your blessings for surviving thus far, and that **HE** is still there for you even as you have forgotten **HIS PRESENCE!** **No one can ever be so consistent and reliable than HIS PRESENCE.**

"Therefore, open your Heart and see **HIM** with a **CLEAR VIEW**, and to count the manifold blessings that **HE** has bestowed on you and your family. **GIVE THANKS** and be ever grateful. HE works in mysterious ways and **you must hold on to HIS hands as you journey together.**"

As I write Whisper's Insights imparted to me, and now sharing with you, memories flashed back - the false criminal charges, my imprisonment, my hunger strike, the pain and suffering, my ups and my downs, the disappointments – seen from the rear view mirror, but HE HAS ALWAYS been there with and for me. I was never abandoned. I was never alone!

I am truly blessed!
