

War On Truth

By Matthias Chang – Future Fast-Forward

God has endowed us with the FREE WILL to seek HIS Truth and reject the evil of lies and propaganda that have intensified and spread like wild fire as never before, by the controlled global mass media and educational institutions.

So few have dared to take up the challenges to expose the lies and it's a matter of time that our country will descend into chaos and accept without more the injunction that we MUST accept what we are told by those in power, that it is the norm in politics that the mass media MUST BE WEAPONISED so that ANY ruling power has the INHERENT right to destroy any opposition or challenges to their grip on power.

There is no such thing as “Free Speech”. It is a myth!

Schools, colleges and universities are mere “paper mills” to manufacture the so-called “intellectual products” – the qualification that ensures the holder of these products would be inducted to continue the lies and propaganda of those in power. **The corruption of the minds of those in the various institutions of education is the most heinous of all corrupt practices, but this specific form of corruption is relegated and or labelled as intellectual idiosyncrasies?**

Do not question!

Do not go beyond or research on the apparent contradictions of the official scripts in the “approved texts or syllabus”!

Echo the official line or else...!

The Intelligence Apparatus has tremendous power, authority and the tools to control the agenda, to reshape and or reconfigure the “accepted truths” and the politicians always accept the “Intelligence Mantras” as a given.

Hence, it comes as no surprise that the powers that be must first weaponize the Intelligence Community, to have any chance to sustain and maintain political power in any country.

The horrifying agendas of the Intelligence Community in the US, UK and NATO of the previous decades (specifically from the Obama presidency onwards) and as exposed in the various **declassified documents show without any doubts, that there were agreed quid pro quos** by the contenders for national political power, without which they could not claim the prize of the presidency or premiership of the country.

The examples of Comey of the FBI and Clapper of the DNI illustrate this evil. The CIA was led by three directors: Leon Panetta (2009–2011), followed by

David Petraeus (2011–2012), then John Brennan (2013–2017), with Michael Morell serving as acting director briefly between Petraeus and Brennan.

It is our considered opinion that the most ambitious and heinous director of the CIA was John Brennan (born September 22, 1955).

Wikipedia provided the following:

*He was a former American intelligence officer who served as the Director of the Central Intelligence Agency (CIA) from March 2013 to January 2017. He also served as chief counterterrorism advisor to U.S. President Barack Obama, with the title **Deputy National Security Advisor for Homeland Security and Counterterrorism, and Assistant to the President. Previously, he advised Obama on foreign policy and intelligence issues during his 2008 presidential campaign and presidential transition.***

Any president of the US that questioned the authority of the CIA were either assassinated or made a lame duck president. Read again the sentence highlighted RED in the immediate paragraph above, to appreciate the role of the Head of the CIA.

The solution is to fix what is wrong, to expose the lies and propaganda and to hold those in power, especially the politicians, the highest standards of integrity and honesty and not to ascribed to them the pedestal from which they arrogate to themselves, the monopoly of disseminating the truths and what is right, and we, the people, must OBEY.

Need I say more?
